MOLINE HIGH SCHOOL
MOLINE, ILLINOIS

Volume Seventeen

Published by the
SENIOR CLASS

FOREWORD

A red, stylized crest or shield with a white border. Inside the shield is a white 'M' with a small crown on top. The word 'MOLINE' is written in white at the bottom of the shield.

The chief object of this book is to depict vividly Moline High School as it was during the school year of 1928 and 1929, and to remind you in future years of the events which occurred during that period. We hope that by the use of effective art work, photography and writing this book will fulfill every requirement.

DEDICATION

*To the Spirit of Moline High School
To Its School Life and
To Its Loyal Students
This 1929 "M" Is Dedicated*

THE SCHOOL

What makes the essential quality in a school? Years ago in New England it was said that a log by the roadside, with a student sitting on one end of it and Mark Hopkins sitting on the other end, was a school. It is the quality of its students that makes the quality of a school.

~William James.

THE CLASS OF 1929, A RESUMÉ

The class of 1929 of Moline High School has been one of the most active and successful classes in the school's history. This class has taken at least one prize in the four "M" Men's days parades that it has participated in. All through the four years this class has had one or more from its number in both athletic and literary fields, and in the last two years it has had the most representatives in these activities. The organizations under the leadership of members of this class have grown more and prospered more than in any other year. The class of 1929 sold more bonds for the field house by about one thousand dollars than any other class in school. This was during their junior year. In their senior year everyone of the '29's enterprises proved successful.

This brief history is given, not to laud the class, but to present a record for other classes in future years to equal and surpass.

ATHLETIC ASSOCIATION

OFFICERS

Richard Grantz	<i>President</i>
Robert Marsell.....	<i>Secretary</i>
Mr. C. W. Holmgren.....	<i>Manager</i>

The Athletic Association is the largest and strongest organization in Moline High School. The membership of the association consists of those who have purchased football or basketball season tickets. This year marked what may be termed a banner year for this organization, for not only did it have nearly 1100 members, but it also greatly increased its stability and influence for better athletics by assuming the chief responsibility for paying for the new field house, a \$175,000 enterprise. Mr. Holmgren, the manager, deserves much credit for the successful conduct of this year's work along that line. With our fine equipment and splendid teams this year, we may look with pride at the athletic branch of our activities.

LITERARY ASSOCIATION

OFFICERS

Joseph R. Rosborough	<i>President</i>
Margaret Thomson	<i>Student Manager</i>
Ella M. Cockrell.....	<i>Adviser</i>

The Literary Association is one of the school's largest organizations. In past years the membership has totaled about 750. This year, by unprecedented effort, 1,100 subscriptions were secured, thus greatly brightening the financial prospects of this organization. Alexander Batchelor, who was student manager during the first semester, started the Literary Association on its 1928-1929 course, but his work ended with his graduation in January. The work was then taken over by Margaret Thomson. Through this year's fine management, many extra editions of the Line 'O Type were issued, particular attention centering on the special twelve page issue for the opening of the field house. The literary achievements of this year certainly have been outstanding.

AFTER DINNER CLUB

OFFICERS

Jane Peters.....*President*

Violet Larson.....*Secretary-Treasurer*

Miss Lind and Miss Elder.....*Advisers*

The After Dinner Club is an organization of the girls of the senior class to promote sociability and friendliness among them. It was organized several years ago by the girls themselves, and from that time on the desire has always been strong to continue the club from year to year. This year's organization has, without doubt, been one of the most successful in its enterprises, the most outstanding of which was the play, "Three Pegs," coached by Mrs. Grace Caple. The chairmen of the programs at the various months' meetings were: Maxine Thomas, Beulah Baker, Josephine Green, Margaret Thomson, Florence Nordine, Virginia Becker, and Laura Ryan. Miss Elder and Miss Lind directed the club through a year of activities that will long be remembered.

Top row—Arvidson, Ringquist, Rose, Sheppstedt, Fryxell, Kline, Grantz, Reeves, Curtis, Rosborough, Lage.
 Second row—Sargent, Parker, Cox, Zelnio, Kimball, Coppens, Decker, Holm, Parsons, Peterson.
 Bottom row—Hudson, Ohline, Millard, Ericsen, Otis, Hammer, Bozeman, Kirk, Staack, Sellers, Rasmussen.

FELLOWSHIP CLUB

OFFICERS

Virgil Bozeman	<i>President</i>
Jim Kirk	<i>Vice President</i>
John Hammer	<i>Secretary-Treasurer</i>
Mr. L. J. McCormick	<i>Adviser</i>

The Fellowship Club is organized each year by the boys of the senior class for the purpose of building up acquaintance and friendship among them. A dinner meeting is held once every month in the high school cafeteria, at which some prominent speaker of the community gives a talk. Each year a minstrel show is presented by the Fellowship Club, drawing entirely upon their own talent. The show this year proved to be one of the most successful ever given by the club, from a financial as well as theatrical standpoint. Coached by Mr. Dolph Lain, the boys displayed very creditably their ability to present and manage such a production.

Top Row—McCormick, Ringquist, Hammer, Holm, Sellers, Rosborough.
Bottom Row—Peterson, Jamieson, Smith, Ingleson, Bimson, Nordstrom, Ohline, Kimball.

SENIOR HI-Y CLUB

OFFICERS

FIRST SEMESTER

Robert Sellers.....	<i>President</i>
Mauritz Ringquist.....	<i>Vice President</i>
Sandy Batchelor.....	<i>Secretary</i>
Harold Ohline	<i>Treasurer</i>
Mr. L. J. McCormick.....	<i>Adviser</i>

SECOND SEMESTER

Charles Kimball.....	<i>President</i>
John Hammer	<i>Vice President</i>
Paul Hallberg.....	<i>Secretary</i>
Harold Ohline	<i>Treasurer</i>
Mr. L. J. McCormick.....	<i>Adviser</i>

The purpose of the Senior Hi-Y Club is to create, maintain, and extend throughout the school and community the highest standards of Christian character. This year was undoubtedly the most successful one that the club has ever passed through. The boys of this organization have been more active this year than ever before. At every event in the new field house, these boys had the refreshment concession, and in this way substantially increased the funds of the club.

Top Row—Van Brunt, Wallace, Silver, Carlson, Boquist, Brown
Second Row—Zaiss, Douglas, Waller, Carlberg, Dustin, Kahn, Bufe.

JUNIOR HI-Y CLUB

OFFICERS

Caron Carlberg.....	<i>President</i>
Marvin Carlson.....	<i>Vice President</i>
Ross Dustin	<i>Secretary</i>
Carl Zaiss.....	<i>Treasurer</i>
Mr. F. J. Vavra.....	<i>Adviser</i>

The Junior Hi-Y Club is made up of boys in the first and second years of high school. The chief aim of the club is to promote Bible study, although the boys engage in many outside activities such as bowling and basketball. This club has always advocated and maintained clean sports, clean speech, and clean living as its standards. This club in conjunction with the Senior Hi-Y, has accomplished much during this year.

Top Row—Bimson, Carlberg, Temple, Williams, Winkler, Ember.
Bottom Row—Boquist, Zaiss, Baker, Bolduc.

VISUAL EDUCATION

OFFICERS

Mr. C. R. Crakes.....*Manager*

Richard Bimson.....*Manager of Films*

Visual education this year has grown to even greater importance than that of previous years. Not so long ago moving pictures were regarded as merely entertaining, and never particularly educational. Soon, however, the value of seeing how practical things are done by means of films instead of simply reading of these things was realized. Moline High School was among the first to institute this method of supplementary education which accompanies the textbooks. A full program of films is shown in all departments of the school work, to which the various classes are taken during class periods. A corps of students specially trained each year carries on all the details of the work.

Top Row—Melin, Mueller, Thompson, Huey, Cowley, Krebs.
 Middle Row—Crawford, Thompson, Lynch, Ransom, Johnson, Darland, Magnuson, Alsterlund, Odenweller.
 Bottom Row—Nelson, Stromberg, Sklovsky, Van Meter, Palmquist, Smith, Carlson, Driggs, Van Meter, Lundberg, Hufford.

PHILIA CLUB

OFFICERS

Rosalyn Magnuson	<i>President</i>
Jeanette Lundberg.....	<i>Vice President</i>
Kathryn Coburn	<i>Secretary</i>
Helen Louise Trisch.....	<i>Treasurer</i>
Miss Melin, Miss Buchanan.....	<i>Advisers</i>

The Philia Club's purpose is to give the girls of the second and third years in high school an opportunity for association, and to form new fellowships; it also strives to build up the highest principles of character. This club has definitely proved its importance and activity by the many parties, teas, and by two plays which it sponsored during this fourth year of its existence. Under the leadership of Miss Buchanan of the Y. W. C. A. and Miss Melin of the high school, interest in the Philia Club has grown rapidly, and even greater accomplishments are expected from next year's organization.

Top Row—Crawford, Ericson, Rosenberg, Engstrom, Swanson, Carlson, Krebs, Ross, Thompson, Driggs, Kropp, Long, Wahlstrand.
 Middle Row—Barnard, Liljegren, Peterson, Brumbaugh, Hasselquist, Larson, Park, Krone.
 Bottom Row—Runkel, Lindstedt, Ericson, Stevenson, Van Meter, Lundberg, Pearson, Carlstedt, Anderson, Kirk, Mumm, Estes, Palmer, Caddy, Cowley, Brown, Hessner, Soderstrom, Bergstedt, Magnuson, Coburn, Sering.

ADVANCED GIRLS' GLEE CLUB

Miss Ina Dunlap.....*Director*

The Advanced Girls' Glee Club is for the girls who have had previous work and experience in singing. This group sang at the commencement exercises and at various other public performances, among them being one program over the radio. Characters for the leading parts in the Glee Department's annual play or program are selected chiefly from this club.

Top Row—White, Trevor, Cox, Wallace Grantz, Schild, Brenstrom, Gilbert, Lovestedt, Parsons, Lundholm, T. Miller, Dwyer B. Miller, Mohler.
 Middle Row—Olson, Tiedeman, Verme, Weiss, Dennison, Lindel, Benell, Bull, H. Peterson, Donaway, Ardahl, Anderson, Thomson, Adams, Pierce.
 Bottom Row—Silver, Holderman, D. Irwin, Hjerpe, Douglas, H. Irwin, Kahn, Casperson, Lindstrom, Van Buren, Smith, Van Meter, Nelson.

BOYS' GLEE CLUB

Miss Ina Dunlap.....*Director*

The boys of Moline High School who are interested in singing are organized into this one group which is always large. This club along with the Advanced Girls' Club usually forms the important parts of the music department's yearly entertainment in the auditorium. These plays or operettas have always proved very fine, but this year for various reasons a change in the plans was made necessary.

Top Row—Dahlquist, Carlson, Graflund, Carlson, D. Johnson, C. Johnson, V. Carlson, West, Ransom, Ohline, Axene, Dewrose, Sodestrom.
Bottom Row—Martenson, Wagner, Bradley, Scott, Lueders, Amundson, Thompson, Huey, Davis, Nelson, Love, Ersinger, Hall, Kohlhase, Leonard, Nitzel, Metz, Duncan.

INTERMEDIATE GIRLS' GLEE CLUB

Miss Ina Dunlap.....*Director*

Due to the large number of girls who wish to take glee work, the intermediate section, the newest of the glee clubs, was organized in the fall of 1925. The intermediate club is composed of girls who have had previous instruction in singing, but are not quite ready for the advanced work. The concerts which are sponsored occasionally by the glee department depend on this club for some parts of the program.

Top Row—Hagel, Hemmingson, Lundberg, Lydic, Anthony, Freeman, Long, Berklund, Moran.
Bottom Row—Brissman, Ericson, Milam, Nicholson, Van Meter, Javerts, Nelson, Lindstedt, M. Nelson.

BEGINNING GIRLS' GLEE CLUB

Miss Ina Dunlap.....*Director*

The Girls' Beginning Glee Club is composed of the girls who are just starting their glee work. By means of this club, preliminary experience is given to the girls who later on will form the advanced class from which the participants in major parts in the glee clubs' programs are selected. The size of this club is continually increasing, and furnishes a fine lookout for glee work next year.

ORCHESTRA

The Moline High School orchestra is a source of great pride to our school. The orchestra furnishes much of the music at public events held in the auditorium, always being present at commencements. The orchestra is under the able direction of Mr. Barnett.

BAND

On the football field, at basketball games, and in the auditorium, the band has carried on loyally in the true spirit of Moline High School. This year the new maroon and white uniforms made their first appearance, thus adding the final touch to our faithful musicians. The excellence of the band and orchestra is due to the splendid work of Mr. Barnett, the leader.

GIRLS' DECLAMATION

Ten selected girls participated in the Local Declamation Contest, October 22, 1928. Three judges rated the girls, and the six highest composed Moline's team and later received the school letter for their work in competition with other schools. The judges awarded Marie Hankla first honors, Sally Baker second, and Eunice Erickson third. The members of the team and their selections are:

Marie Hankla.....	"The Finger of God"
Sally Baker.....	"The Big Lie"
Eunice Erickson.....	"The Truth About George"
Mary Lou Long.....	"Sauce For the Goslings"
Dorothy Ericson.....	"The Little Rebel"
Mary Jo Sollo.....	"A Cornor on William"

November 2 the Triangular contest was held. Rock Island's team received first place, Moline's second, and East Moline's third.

Marie Hankla won first in the local contest and first in the Triangular contest which entitles her to represent Moline in the Big Nine Declamation contest. At this contest representatives from nine cities met. I was held November 6 at Rock Island. Rock Island won first place, Geneseo second, and Moline's representative third. Mr. Lain coached the team.

BOYS' DECLAMATION

The Boys' Local Declamation contest was held November 27, 1928. From the ten final contestants the three judges selected six to represent Moline in the triangular contests. Alexander Batchelor won first place due to his ability and pleasing personality which were displayed exceedingly well in his piece. Louis Plambeck received second place and Lloyd Schwiebert third. The personnel of the team and their selections were:

Alexander Batchelor.....	"Willie's First Contest"
Louis Plambeck.....	"Port of Missing Men."
Lloyd Schwiebert.....	"A Violent Remedy"
Keene Crockett.....	"Beau Trevison"
Stephen Darling.....	"Seventh Heaven"
Donald Fryxell.....	"Mice At Play"

Moline's team participated in a Triangular contest November 4 in which Rock Island took first place, Moline second, and East Moline third.

The Big Nine contest was held December 7 at Galesburg. By virtue of his high ranking in both preliminary contests Alexander Batchelor represented Moline. Geneseo ranked first, Rock Island second, Kewanee third, and Moline fourth. The team was coached by Miss Barbara Garst.

DEBATE

AFFIRMATIVE

The question debated this year was "Resolved: That the direct primary for the nomination of candidates for state and federal offices should be abolished." This topic proved to be very interesting as it involves the study of history, civics, and politics.

The affirmative team was composed of Bigelow Lourie, Stephen Darling, Virgil Bozeman, and Marie Hankla, captain.

A new system was used this year, that of having four on a team by alternating the first speaker. The four man team was very successful as it gave all members a chance to have debating experience, and to earn their school letter which is awarded for the debate work.

The affirmative team defeated Rock Island's negative in the Big Nine triangular debate which was held March 17, at Moline. This team was also victorious in a debate with Mendota's negative. Our affirmative was defeated by Galesburg's negative in the Big Nine final debate.

Though the affirmative team was defeated in the finals it is believed that this team was one of the best that Moline High school has ever produced.

DOLKART

DEBATE

NEGATIVE

The negative debating team went through the season undefeated. The members of this team were William Bennett, Mary Jo Sollo, Louis Plambeck, and Ralph Dolkart, captain.

This team began its victorious campaign by triumphing over the East Moline affirmative team, March 17. The success of this debate linked with the affirmative's victory over Rock Island, gave Moline the triangular championship.

The negative team went to Mendota, March 20, and came home victorious.

The finals of the Big Nine were exceedingly close this year, ending in a tie between the winners of the three triangles. In the first debate, our negative defeated Princeton's affirmative; then Galesburg's negative won over our affirmative; and last, Princeton's negative defeated Galesburg's affirmative. All three debates were judged by the same man, and according to his percentage, Galesburg won first, Princeton second, and Moline third.

Miss Garst, the coach, deserves much credit for her work. She produced teams worthy of a great deal of praise. Though the debaters were not completely successful this year, the value derived from the training was well worth while.

DOLKART

HANKLA

SOLLO

EXTEMPORE

The local extemporaneous speaking contest was held Monday, April 22. Eleven students contested for places on the school team. Mary Jo Sollo won first place, Ralph Dolkart second, and third place was a tie between Marie Hankla and Virgil Bozeman. Lucille Nelson and Louis Plambeck were the other two members who made up the team.

The annual dual contest between Moline and Rock Island was held at Rock Island, April 24. Moline won by 26 points. Mary Jo Sollo took first and Marie Hankla, second for Moline, and Rock Island won third place.

By virtue of her showing in both the local and dual contests Mary Jo Sollo represented Moline in the Big Nine at Princeton on April 26. Moline's representative won second place in this contest. Galesburg was first and Geneseo third.

LINE O' TYPE EDITOR'S NOTE

The purpose of the past year's Line 'O Type has been to present to the students of Moline High School in a clear and concise manner, the news of the school as it happened. We have endeavored to mirror, in proportion to their news value to the student, all the activities of the school in the athletic, literary, social, and educational fields. In short, our purpose has been to carry out the spirit of journalism and news writing in the student publication of Moline High. We believe we have in some measure succeeded.

The success that this year's "Line" has enjoyed has been due to a few essential things, namely: the encouragement of an appreciative student body, the wonderful co-operation of a splendid staff, the willing helpfulness and advice of a friendly adviser and principal, and especially the hard work and concentration of three energetic assistant editors.

The gratifying pleasure that we have enjoyed in putting out this year's paper has been derived more from the fact that we have worked with a splendid and useful staff, than to the fact that we have succeeded in adding to, increasing, and improving upon one of the best high school papers in the state. We believe that we have succeeded in giving to the students of Moline High, not only a paper that they may be proud of, but also the real essence of journalism—true news value, and if we have pleased them, we know that we have succeeded.

THE "M" EDITOR'S NOTE

The primary purpose of this book is to present vividly and pleasingly the school events and the school itself as it was during the school year of 1928-1929. Many things have happened during the year which will always be remembered easily, and these things we have tried to depict. Many things have happened during the year that are not outstanding in our memories, and yet these things also make pleasant reminiscences. We have tried to picture these things, too. There are many friendships made in high school, and after graduation these associations are broken off, and some friends are likely to be forgotten. This book is intended to recall to your minds the friends of your high school days. If we have accomplished this; if we have pictured the school as it was in 1929; if we have recorded the things of interest; if we have succeeded in recalling your friends to you, we then believe that we have given you a book of great value. Whether we have succeeded in presenting the things we hoped to or not, we have worked hard and have given you the best in our power. Because of this fact, we ask you to be lenient in your criticism of our efforts.

JOSEPH R. ROSBOROUGH

MOLINE HIGH SCHOOL'S PUBLICATIONS

The Moline High School annual was originated by the class of 1913. From that year on up to this year there has been an annual published each year. The Line 'O Type was started in 1917 as a bi-weekly paper. Later it was issued every week, giving the week's events concisely and accurately. Both of these publications, the annual and the school paper, have always ranked very high among similar publications in the state of Illinois as well as in the national contests. The success of these undertakings is of course due to the editors to a large degree, but much credit is certainly due to Miss Ella M. Cockrell, the faculty adviser, and to Mr. E. P. Nutting, the principal, who give a great deal of time and help to both publications. This year, the staffs of these publications have tried to equal at least the high standards of the past.

"Dulcy", a clever three-act comedy presented by the Senior Class on April 4, marked an important event in the dramatic season of the year.

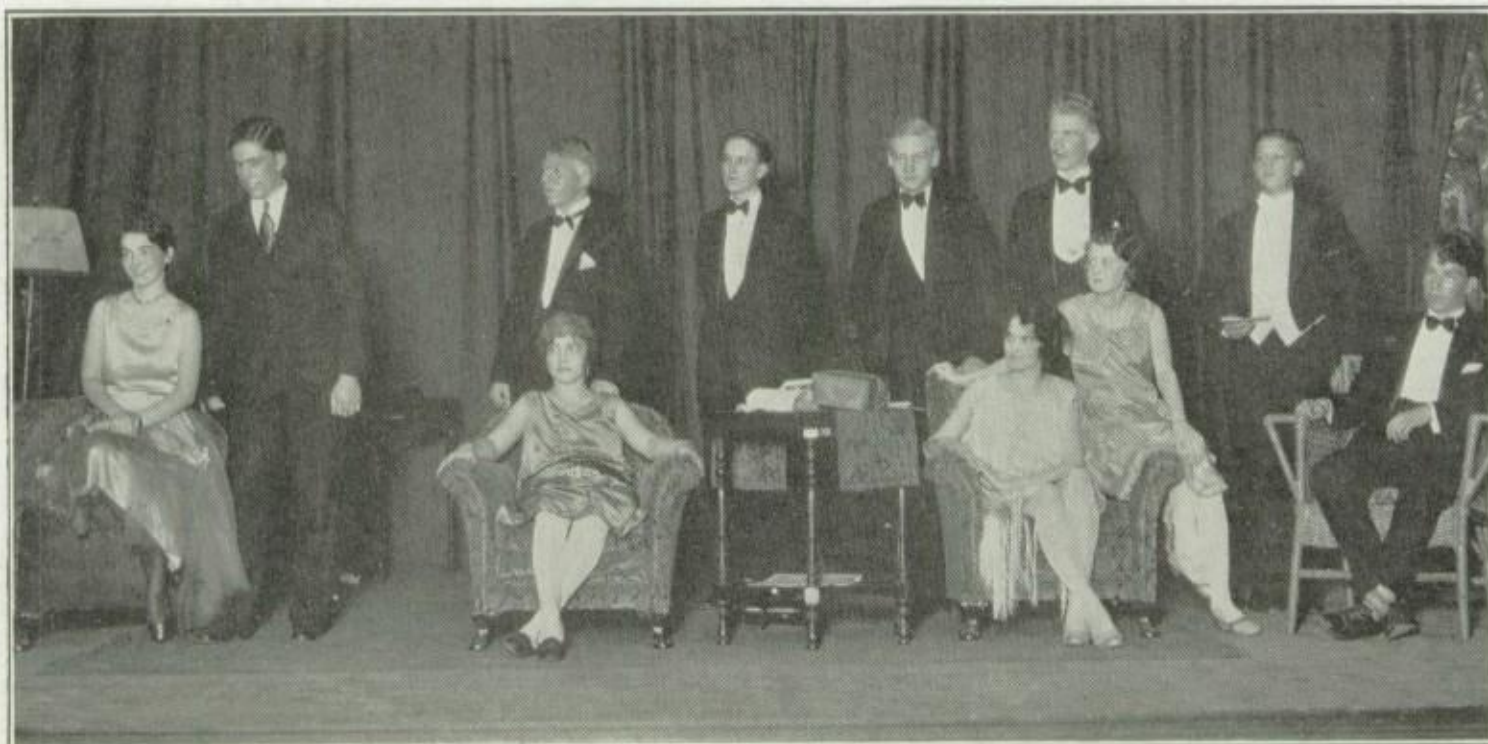

THE SENIOR PLAY

Synopsis

Dulcinea, the attractive young wife of Gordon Smith, has planned a week-end party and is very anxious that it be a success. Smith, an alert young business man, does not favor his wife's idea very much, because he fears pleasure will interfere with business dealings with Mr. Forbes, a jewelry manufacturer. However, the guests arrive on a Friday night. Mr. and Mrs. Forbes and Angela, their daughter, Schuyler Van Dyck, a pianist of great renown, Vincent Leach a prominent scenarist, and Tom Sterrett, an advertising agent for Forbes who has come on a business trip ore the guests. Dulcy has worked out a special routine of golfing, horsebackriding, etc., for their entertainment.

Angela and Leach fall in love with each other immediately, and ere long plan to elope despite the fact that Sterrett is the fellow whom Mr. Forbes has hoped to have for a son-in-law. Dulcy is told of the elopement plan which is a secret, but she soon spreads the news to William Parker (her brother) and Mrs. Forbes, Angela's step-mother. In the meantime Schuyler Van Dyck entertains with some of his brilliant piano numbers, and interests Mrs. Forbes greatly. In fact she shows him too much attention according to Mr. Forbes' idea. He has come to this party for the purpose of attempting a business merger with Mr. Smith. When he hears of Angela's elopement, he refuses to talk to his wife and even threatens to leave her and go back to town, letting the merger drop. Dulcy does all in her power to smooth over the troubles, and Gordon pleads with her to let him run his own affairs. At that moment, when everyone was gloomy, Van Dyck informs Dulcy that he will finance her husband. Of course this seems very wonderful, but then Blair Patterson comes to the Smith home and informs them that Van Dyck is his cousin, and that his idea of being a millionaire is only an hallucination. The next day Angela returns after her elopement, and Forbes friendship with his wife and other members of the family is renewed when he learns that Parker is his real son-in-law in place of the hated Leach. To climax this happy moment Forbes agrees to merge with Smith on a much larger percentage. Although Dulcy had interfered in her husband's business, it turns out very gratifying to both of them.

"Green Stockings", one of the most unusual and best acted Junior plays presented in recent years, was given very successfully on December 14, 1928.

Junior Play Synopsis

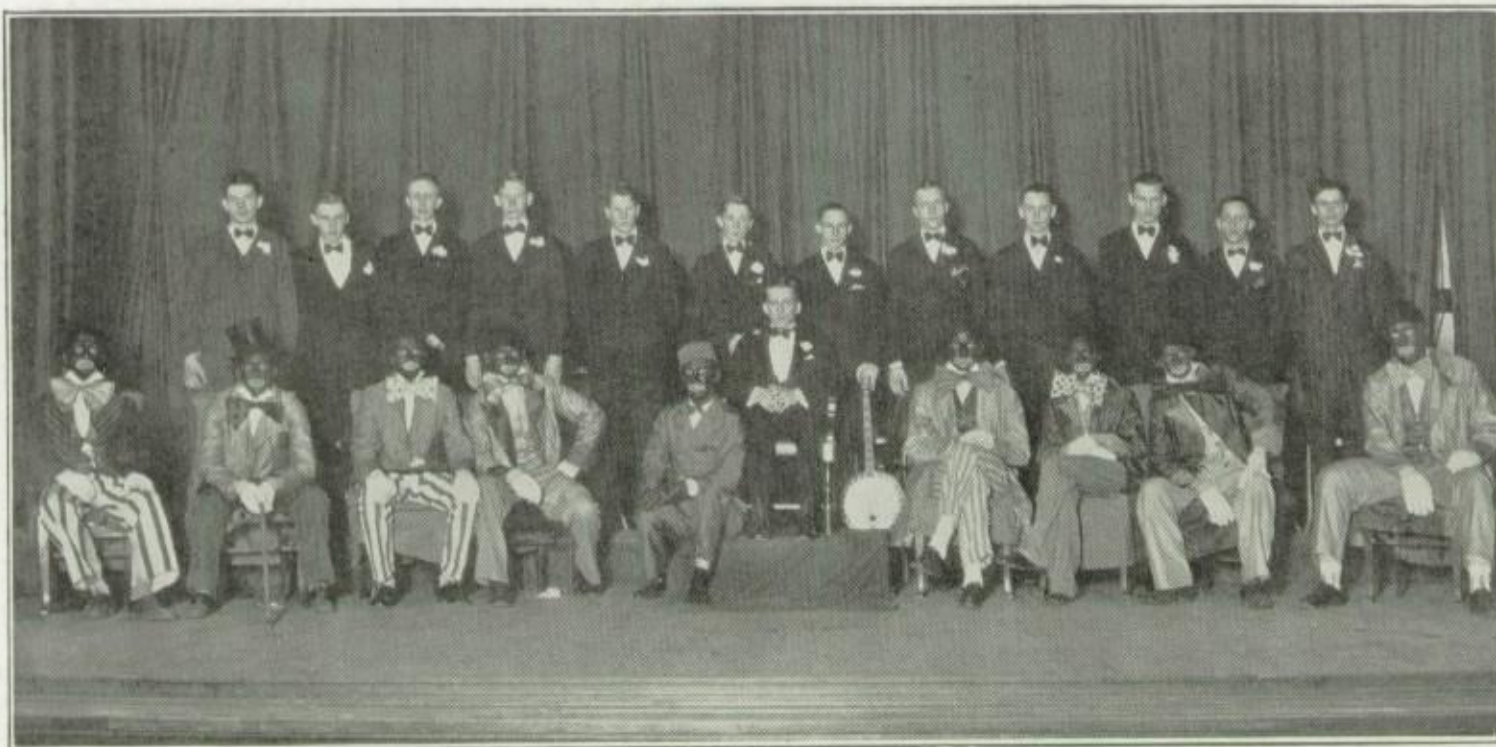

Celia Faraday, the eldest daughter of William Faraday announces her engagement to Colonel Smith, a character of her fancy. She has already worn "Green Stockings" at two weddings, which the eldest daughters must do when a younger sister marries, and now Phylliss is going to marry Robert Tarver, a young politician.

Admiral Grice, Henry Steele, and James Raleigh begin to realize that Celia is not so bad after all. Mrs. C. Faraday, the aunt, gives her niece a solemn promise that she will help her, although it is against her will.

In the afternoons Celia stays in her room and writes numerous tales to her pretended fiance, "Wobbles" (Colonel Smith). One of these letters is mailed accidentally by Phyllis. After a time, however, to save Celia, her aunt has it announced in the newspapers that Colonel Smith is dead. Lady Trenchard reads the news first and of course causes a great deal of commotion before she tells the rest of the family. When Celia comes in, they try to console her in her feigned grief.

Later on a real Colonel Smith does come to the Faraday home and surprises Celia by saying that he received her letter. At first he tries to make her sorry for what she has done, but it ends very cleverly with the Colonel and Celia falling in love.

THE MINSTRELS

On Friday evening, March 1, the Senior Fellowship Club presented its annual minstrel show before a well filled auditorium. Through much practice under Mr. Lain's capable coaching, the fellows were able to put on an hour and a half of good snappy songs and jokes.

"Mississippi Mud" was sung by the chorus as the curtain opened. To get the ball rolling, Virgil Bozeman and Mauritz Ringquist, two blackened end men, had a few jokes with Joseph Rosborough the interlocutor. "Sandy" Batchelor, another black lad, pleased the audience with his bit of wit, after which Wayne Chapman sang, "Sally of My Dreams." A very clever dialogue was given by Dick Otis and Dick Sargent, both of whom proved to be great joke makers. Mauritz and Virgil again displayed their wit with another comical skit. Jim Kirk, known as "Eight Ball," sang "I've Got a Woman." Later George Arvidson and Marvin Parker, "Sink" and "Sunk" harmonized "Dream Train," to the accompaniment of a banjo played by the latter. This was very well received as was an encore of their own composition. "Sandy" Batchelor and Phillip Sheppstedt sang "Happy Days and Lonely Nights" and "Carolina Moon" respectively, both of which were well done, and much enjoyed. Last but not least, the tap dances executed by Loyal Dennhardt, who was disguised as a bell boy, were big hits of the show. "Morrie's" mouth organ produced a most effective accompaniment.

The curtain closed as the chorus sang "Old Black Joe."

Synopsis

The Senior Girls A. D. C. presented "The Three Pegs," a clever three act comedy, on April 26.

Miss Emily Weston a very wealthy woman, is looking for a young girl to adopt. Her aunt Euphelia, however, strongly opposes the idea at first, but on learning that Peg, an orphan, has been sent for, she decides that Emily's money must not get out of the family, and so she sends for Marguerite, her niece. The first to arrive is Madge, a frail, sickly girl who has been living with Mrs. Conti, a poor Italian woman. Marguerite, an unrefined and ill-mannered young lady, appears but she is not granted many privileges in the Weston home, and so she soon becomes discouraged. Peg, a child with a very sweet personality, is the last to seek the place. She loves Miss Emily dearly, and finds out a great many things which aunt Euphelia and Marguerite have done in secret. Because of this, she is sent back to the orphanage in a short time. Lizzie and Sarah, two faithful Irish maids, refuse to be pestered any more by Euphelia because she always loses her ear trumpet, and wants to know other people's business. Miss Emily promises she will be gone in a month. Euphelia is "tortured" by a ghost, but after the month is up, she is there anyway. The maids protest again, but in the midst of all this Peg comes back. Mrs. Barclay visits the Weston home and finds Madge to be her long lost daughter. Marguerite goes back home and is married. Miss Emily then finds her former lover who was led away by letters written by aunt Euphelia so that she might have the money. Emily adopts Peg and allows her aunt to stay.

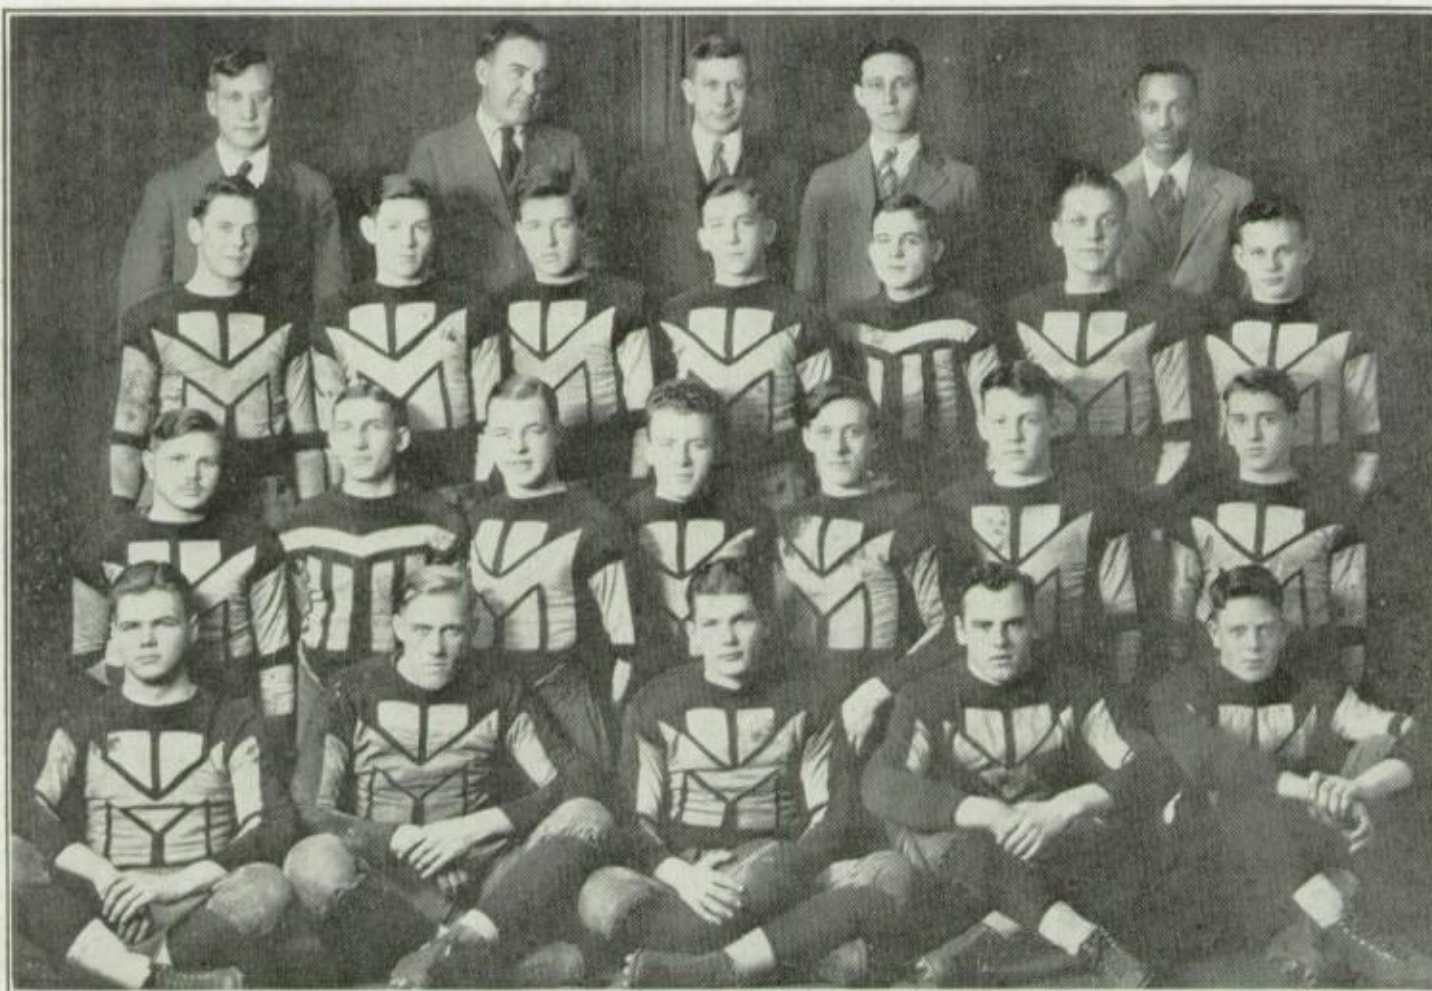

Hazel Crawford, Beverly Kirk and Alphild Liljigren entertained between acts with dances and songs.

SECOND FOOTBALL TEAM

DIRECTORS OF THE TEAM

Mr. L. J. McCormick.....	Coach
Mr. C. W. Holmgren.....	Manager

The second team established a high record this season. They were undefeated and only once were scored against, and that was in the Rock Island game during the third quarter. This enviable record was due to the fine coaching of Mr. McCormick and the fighting spirit which always makes a good winning team. The squad played five games, scoring a total of sixty-three points to their opponents' six. They played a very fast game, showing great strength in line charges and around-the-end attacks. The next year's varsity team should be powerful with these fighting scrubs to back them up.

HOWARD BLUE

Captain and Center

In captaining the team this year "Howie" did a good job. Solving plays at the right time, putting enthusiasm into the men, and encouraging his men continually, he showed the right qualities for a fighting leader of the Maroons. Blue will always stand high among Moline captains.

JAMES ROSBOROUGH

Halfback

Jim was well liked by every one on the squad, and he performed very creditably throughout the season. He was a good ball carrier, but his strong point lay in his defensive backfield work. Next year he will be one of the mainstays of the Moline backfield.

**TOM STRAW**

Captain-elect

"Casey" well deserves to be captain of the Maroon team next year. It is with a feeling of faith and confidence that we turn this position over to him, for his powers as a quick thinker, as a hard tackler, and as a sure blocker make him a valuable man for next year.

PAUL MARSELL

Quarterback

Paul was well qualified for his position. He handled the ball with perfect assurance and passed it with accuracy. His judgment of plays was unfailing, and his signals were given clearly and very distinctly. When he carried the ball, it was no easy task to stop him.

MAURITZ RINGQUIST

Guard, Center and Tackle

"Morrie" wrote "finis" to a remarkable football career this year. He played eighteen complete games without being taken out. He also was chosen as a member of the Tri-City team and given honorable mention on the All-State team. He was on Moline's first squad for three years.

LESLIE NELSON

Guard and Halfback

"Les" punted the pigskin for Moline this year with a high yardage average. He passed with accuracy and in many cases helped win games for the team through quick headwork. He was certainly a fighting guard.

ALLEN MUNN

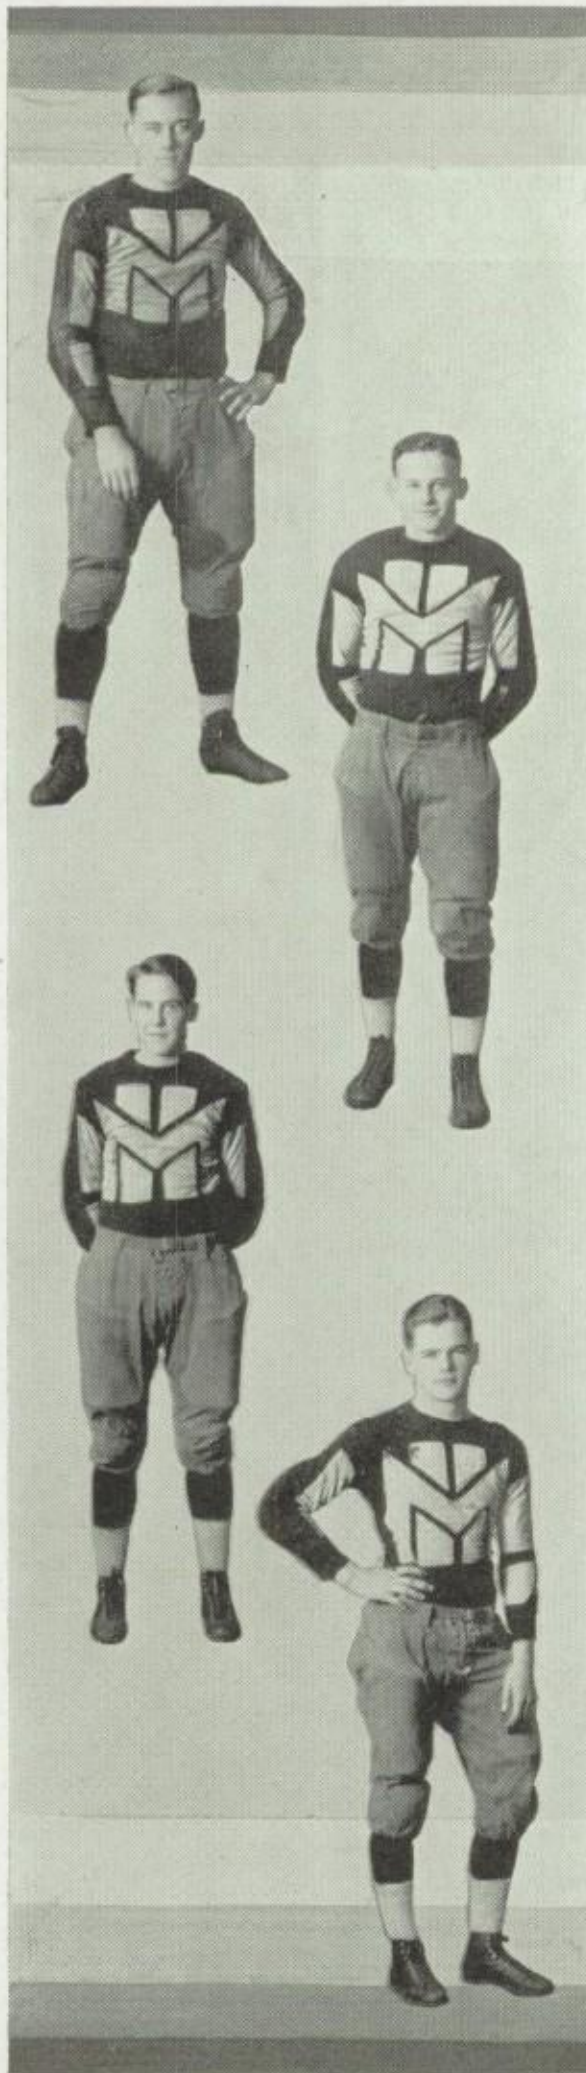

Halfback

Allen was one of the fastest and shiftiest runners on the squad. He played a fine brand of football this year, ripping through the holes made by his interference before an opponent could touch him. He will be a great cog in the Maroon machine next year.

FRED GRAFLUND

Fullback

Although handicapped the greater part of the season by an injured knee, Fred fought on grimly as he always has, and brought home honors for himself and the school. Fred never failed to gain ground, and he always hit like a pile driver.

RUSSELL BROWN

Fullback

Given his chance this year, "Russ" accepted the opportunity and made good. When called upon to take the oval he tucked it away securely under his arm and ripped through the line, frequently leaving desolation in his wake.

MILLER BROWN

End

Miller always played very steadily and reliably, but he won particular fame and glory in the last game of the season, with Rock Island, by catching the pass which gave Moline a touchdown and victory. With him at an end position next year, we may be sure of a steady, hard fighter.

LESTER STONE

Tackle

Coming to Moline High for his final year of high school, "Les" easily secured his position on the team. His ability to block punts and rush the backfield made him an outstanding man for tackle on the Tri-City and All-State first teams.

ED WOOD

End

Ed fought with his characteristic grit and drive all season. Although this was his first year on the team, he displayed the ability of a player of long experience. He will certainly be a valuable man next year.

FRANK WIRKEN

End

"Wirks" performed his duty with diligence and sureness when called upon. He played his position as a veteran would play it, and was especially proficient in the art of snagging passes. His loping stride will be missed by us next season.

MARTIN ZAMIS

Tackle

Martin, inexperienced as he was, soon mastered the fundamentals of football, and played a "whale" of a game all season. He was a powerful man in opening holes for the backfield, and should be an important part in the fighting Maroon team in the coming season.

AUBREY COVAULT

Fulback and End

Aubrey was called upon many times to take his place in the backfield, and he carried the ball well. His smashes and tackles showed great ability. He was a reliable man, and his everlasting fight made him a good ground gainer.

WILLIAM SLATER

Guard

Playing on the varsity for the first time, Bill made an enviable record for himself. He played a clean game, and was always a formidable opponent for the other team. He undoubtedly will fill a giant's place in the line next year.

HAROLD PETERSON

Guard

The nickname "Bulldog" was well placed when it was given to Harold. He had the fight and the cleverness possessed by few to outwit his opponent. His short, stocky build was a great advantage to him in the line.

**EDGAR BRAMBLE**

Tackle

"Bud" worked very well all season. When he was in there musing things up for his opponents, he frequently was at the bottom of a pile holding the opposing ball carrier's legs. Another year of such work will show his real value as a first team man.

RICHARD EINFELDT

Guard and Tackle

"Dick", a great pillar of the Maroon aggregation, played a steady game, and was able to fill either guard or tackle positions. He was a hard tackler and a scrappy player. He certainly filled his place very creditably.

ROBERT PETERSON

Cheer Leader

"Bob" displayed his ability and competency when he was elected to lead the yells. All through the football season he filled his position, and was graduated from school in January.

THE 1928 FOOTBALL SEASON

Coach Senneff opened the season with six letter men as a backbone for the 1928 team. They were: Captain Howard Blue, Fred Graflund, Tom Straw, Leslie Nelson, Mauritz Ringquist, and Harold Peterson. All of these were linemen with the exception of Fred Graflund, last year's fullback. With new players, and some from last year's squad, a team was worked into shape in two weeks to meet East Moline. In the first half of this game, only seven points were scored and those by Moline. A pass, some line attacks, and another pass from Nelson to Miller Brown took the ball about forty-five yards for that touchdown. In the second half Moline made twenty points, winning the game with a final score of 27 to 0.

On the next Saturday, September 29, Moline played Streator here losing by a score of 6 to 0. Scoring in the first quarter, Streator held the game. From then on, however, neither team could make much headway, both being very strong defensively. Moline did make more yardage, nevertheless. The next game, which was against John Marshall High of Chicago, on Saturday, October 6, marked off another narrow defeat for Moline, 12 to 6. Moline's touchdown came by a thirty yard pass from Nelson to Straw, and then a five yard smash made by Russell Brown. Marshall High made one touchdown by an intercepted pass, and one by steady advancement down the field. When the Oak Park game came along on the next Friday, October 12, about one hundred and fifty happy Moliners went to see the game, hoping for a Maroon victory, in spite of injuries incurred by several of our players the week before; but they were crushed by a disheartening defeat of 27 to 0.

Meeting Davenport on October 20, we held the undefeated Red and Blue team to a 6 to 0 victory. Davenport was unable, however, to score until the second half. The following Saturday was an open date, but on Saturday, November 3, which was "M" men's day, the Maroons showed fierce defensive play, and fought the famous Peoria team away from the goal every time it threatened. This scoreless tie gave new confidence to the team, and started the straight series of victories which followed.

The game between Moline and the strong Washington High team of Cedar Rapids, Iowa, November 10, netted the determined Moliners a 12 to 0 victory. With Captain Blue, Fred Graflund, and one or two others recovered from their serious bruises of a few weeks before, and other members of the team accustomed to their places after being shifted following the Oak Park defeat, Moline's team played a marvelous, fighting game. Making their first score on a pass, and the second by straight football. Moline well deserved a victory. At Galesburg on the following Saturday, the Maroons won over that team, 19 to 13. Playing on a muddy, spongy field both teams fumbled frequently. Our team functioned as perfectly as was possible on so slimy a field. Casey Straw was the principal ground gainer, but the spectacular event occurred when Leach of Galesburg attempted a punt. Les Stone, big, tough Maroon tackle, broke through the Galesburg line, stuck out his arms at Leach, and miraculously caught the ball right off that punter's foot. Despite his mud-bedraggled condition, Stone ran sixty yards for a touchdown. The 19 to 13 victory was well earned.

The next and last game came with Rock Island, our traditional foe, on Thanksgiving Day, November 29. Although Rock Island was set on winning the game and at times threatened, Moline's generalship was the finer. Playing with dazzling fire and energy, in the fourth quarter, and working the ball down the field with unequalled determination, a long pass was shot by Straw to Miller Brown, and the game was won.

Ending the season with this glory and honor, the Moline boys certainly redeemed themselves from their past defeats, and showed their real mettle under Mr. Senneff's fine coaching. It takes character as well as football ability to make such a comeback, and Mr. Senneff develops both. We are fortunate to have that type of coach.

The Moline second basketball team had a full schedule of fifteen games with only two defeats on the whole program. With only three games left on the list and a perfect record of successive victories, a number of regulars were shifted to the first team, and when the revised line-up met the Rock Island seconds they lost by one point. Rock Island had been beaten earlier in the season by our Maroon lightweight team.

The Streator second team also avenged an earlier defeat by taking a four-point victory from the Maroons. Then with determination to win the last game of their wonderful season, the Moline lightweights snatched a narrow victory from the Galesburg second team. All through the season these second team players gave the best they had to offer, and put forth some fine basketball, clearly establishing their right to the tri-city championship.

JAMES ROSBOROUGH

Forward, Captain-elect

"Jim" was a cool and scrappy player, and had an uncanny eye for the basket, which helped Moline many times when two points were needed. He will be with us as captain next season, and we are sure that with this year's experience and with the good sportsmanship and ability displayed this year, he will make an excellent leader.

**CHARLES COPPENS**

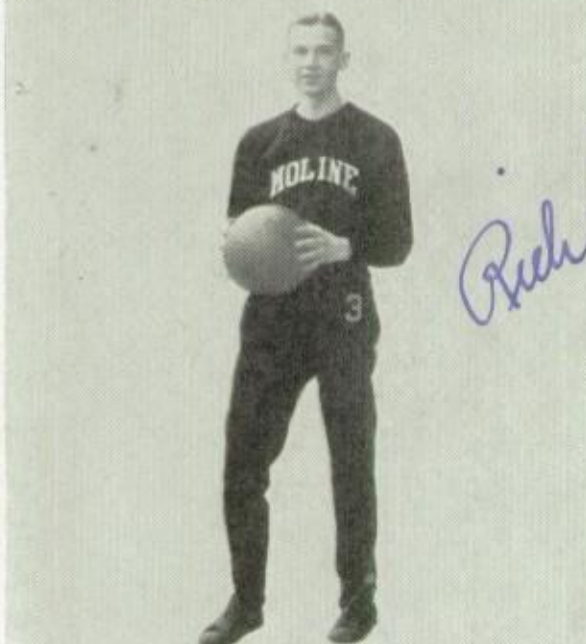

Forward

"Coy" was as hard to outguess as anybody could be, and was as elusive as a shadow. He played his first and last season with the Maroons this year. His aggressive tactics won him a place on the District Tournament first team as a forward.

RICHARD GRANTZ

Captain, Center

"Dick's" aggressiveness, quick thinking, and fast floor play all helped make him a valuable man and a good leader. He was placed on the District Tournament second team, and was one of the scoring aces during the greater part of the season.

**TOM STRAW**

Guard

Tom was a floor worker to be feared, and his long shots were like poison to the opposing teams. He was placed on the District Tournament first team as a guard, and also on the Sectional Tournament first team at the same post.

**MERVIN HORTON**

Guard

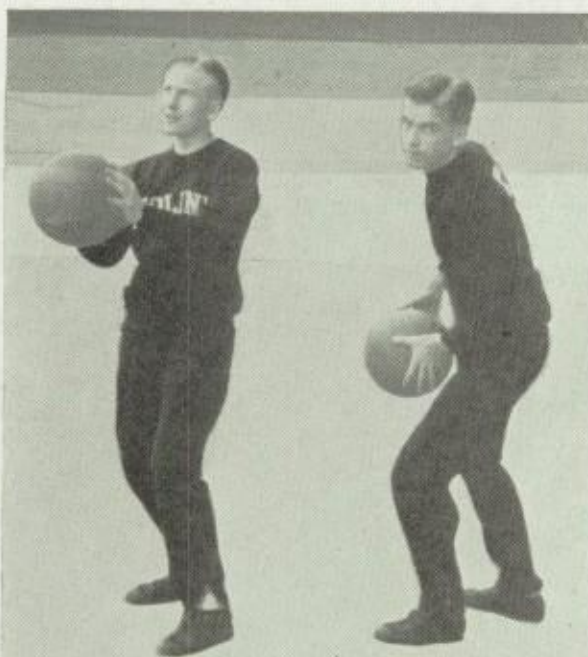

Horton's dribbling and handling of the ball won high praise from the fans of Moline this season. Mervin's percentage of shots this season was high, and because of his ability, he was honored with a position as a guard on the Sectional Tournament second team.

RAY LINDGUIST

Forward

Ray possessed a good basket eye and a dribbling power which could not be thwarted by his opponents. His ability to shift, handle the ball, and elude his foe will be missed on the team next year. His shooting, too, at times was phenomenal.

"Gib" Swanson.

GILBERT SWANSON

Forward

"Gib" was one of the fastest forwards on the squad, and filled his position perfectly during the season. Outwitting his opponents frequently in the games he played, he paved the way for many points.

**VERNON SWANSON**

Center

"Slim" could handle the ball with ease wherever he was. When asked to take "Dick's" place at center, he played the position very well. He will be with us next season, and should be one of the mainstays of the first team.

ORLA PEDERSEN

Guard

Playing his first season with the Maroons, Orla displayed his ability in basketball, and should secure one of the first string posts next year. His fighting spirit and sportsmanship will be remembered by the fans of Moline.

**FRANK WIRKEN**

Guard and Center

"Wirks" alternated between the positions of guard and center this year, and performed in either position like a veteran. His straight dashes for the basket netted Moline many points in games where they were much needed.

THE 1928-1929 BASKETBALL SEASON

The 1928-1929 basketball season opened on Friday evening, December 21, when the hurriedly developed Moline team crushed Kewanee by 22 to 15. This was the first game played in the new Field House which was completed about a week before, and the victory certainly established a good omen for future seasons. The honor of the first basket to be scored in the new Field House went to Jim Rosborough, captain-elect. Moline led in scoring throughout this battle. After the Moline-Kewanee joust, a great and fast struggle between the University of Iowa and Marquette University was fought out with the final score of 38 to 15 for Iowa.

The next games for Moline came on December 26, 27 and 28 during the first annual Big Nine Tournament. We knocked down Princeton 31 to 14 in the first game played. In our second game we were thrown against Canton, the runner-up in last year's national tournament, who beat us 26 to 10 in a very hard fought match. Canton beat Galesburg in the finals to win the championship title.

On Monday, December 31, the Maroon squad bumped Davenport off in the yearly feud by a 29 to 13 score. With Straw making five out of seven shots at the basket and the rest of the team doing similar work, Moline's boys brought glory upon themselves. Next came the LaSalle-Peru game on January 5. Continuing the wonderful basket shooting of the week before, Moline put forth a great fight and emerged on top 26 to 11. On the following Saturday, January 5, Moline tied another knot in its string of victories by downing Streator 23 to 17. The Maroon basketballers fell behind in the first quarter which ended 5 to 4. Rousing out of this predicament, the Moline squad led throughout the remainder of the game, bringing the final tally to 23 to 17 in their favor. Moline carved another notch of victory in their record when they went on their first trip of the season on January 18 to Savanna, and won by a score of 36 to 5. On the next evening, Moline took down the fast Cambridge team in a speedy, hard fought contest ending 17 to 13. This was the eighth victory for Moline with only one defeat.

On Friday, January 25, however, the Maroon record was darkened with a defeat at the hands of Rock Island. With Captain Grantz out in the last quarter on fouls and with Moline's low percentage of baskets, the final gun left the score 15 to 11 for Rock Island. The following evening, Moline lost to Orion, last year's district champions, by a score of 20 to 18. Missing several open shots at the basket during the first part of the game accounted for our defeat. The next game, on February 1, was a fast battle between Moline and Macomb Academy, ending with Moline as victor, 40 to 25. Wirkens, who was high point man, made 17 of the Maroon team's points. One of the disastrous "flu" attacks which hit Moline's squad, took Rosborough out of this game. Friday, February 8, marked another victory over LaSalle-Peru, the score standing 25 to 15. The next night was a black one for Moline, for Ottawa wrung out a triumph with a 33 to 20 score. We again met our bitter rival, Davenport, on Friday, February 15, and this time met defeat by 36 to 25. With Grantz and Pedersen ill and Rosborough able to play less than one quarter, Moline was forced to use reserve material. On February 22 Moline faced Rock Island again, only to be defeated a second time, 17 to 13. Horton, who was taken from the second team to play running guard on the first team, was high point man for Moline, as well as a shifty guard. Coppens was everywhere with his baffling play, but somehow the Crimson team gleaned a victory. March 1 found Moline battling Streator again, at Streator, and the hosts won by a score of 36 to 24. The last game of the season came on Saturday March 2, against the powerful Galesburg team. Although Moline's team fought valiantly through the battle, the end was a victory for Galesburg, 21 to 20. Out of eighteen games during the regular season, Moline won ten.

THE 1929 DISTRICT BASKETBALL TOURNAMENT

The 1929 District Basketball Tournament was held March 7, 8 and 9, in the Augustana College Gymnasium. The tourney was opened on the evening of Thursday, March 7, by a fast and hard fought game between Sherrard and Joy in which Joy was victorious by 17 to 15. The second game of the evening was an easy match for East Moline who won against Aledo 31 to 21. In the third game of the evening, Port Byron had little difficulty in overcoming Cordova by a score of 38 to 22. The fine passing on the part of all of them was very noticeable. On Friday morning, March 8, there were two games, the first of which was won by Viola from Erie by a 27 to 13 score. The next game was taken by Coal Valley who defeated Reynolds, 27 to 22. Keithsburg, a new entrant into the district, held powerful Rock Island to an even score the first half, but weakened in the second half and lost 29 to 11. Sherrard defeated Hillsdale, 20 to 16.

Moline had no game until Friday evening, when East Moline was disposed of by the amazing score of 57 to 11. The game, as the score indicates, was not particularly hard for the Maroons. Coal Valley won against Port Byron by 26 points to 23. Rock Island won from Viola by 33 to 7.

On Saturday afternoon, March 9, the semi-finals were held. Moline overpowered Sherrard 21 to 7, and Rock Island defeated Coal Valley by the score of 23 to 6.

On Saturday evening the consolation match was held between Sherrard and Coal Valley. The score was 13 to 12, which gave Sherrard third place in the district.

Then the championship game between the two strongest teams of the tournament, Moline and Rock Island, was played. During the season Rock Island had succeeded in defeating the Maroon team. The Moline coach, Mr. Senneff, worked out a clever system of offense to penetrate the Crimson zone defense, and he built up a strong man to man defense for Moline. Both teams played a masterly game that night, and the count was tied more than once during the exciting match. Near the end of the game, with less than forty seconds to play, Rock Island got a free throw which put them in the lead, 17 to 16. On the next tip off Moline got the ball; then the Crimson team had it. A double dribble gave the ball to Horton of Moline outside. He passed it to Straw. Straw, standing at one side of the middle of the floor, shot. The ball went for a beautiful basket, clinching the victory for the Maroons by a single point. Three seconds later the tournament ended with Moline as district champions.

THE SECTIONAL TOURNAMENT

With the district award in our trophy case, all eyes were turned to the Sectional Tournament. This was held in the new Moline Field House on March 14, 15 and 16. In the first game of the tournament Moline defeated Malden 22-20 in a very fast game. In the second and third games, Morrison defeated Lanark, 28-13, and Orion toppled Macomb Academy 17-12. The games of Friday were even more exciting. The Maroons fought gamely, and led Freeport most of the time during the game, but were finally defeated in the last six seconds of play when a Freeport warrior made a swift follow-up shot to get the lead for his team. This was followed by a free toss by Freeport, and the game ended 27-24 in favor of Freeport. In the second and last game of the session, Orion defeated Morrison 26-20.

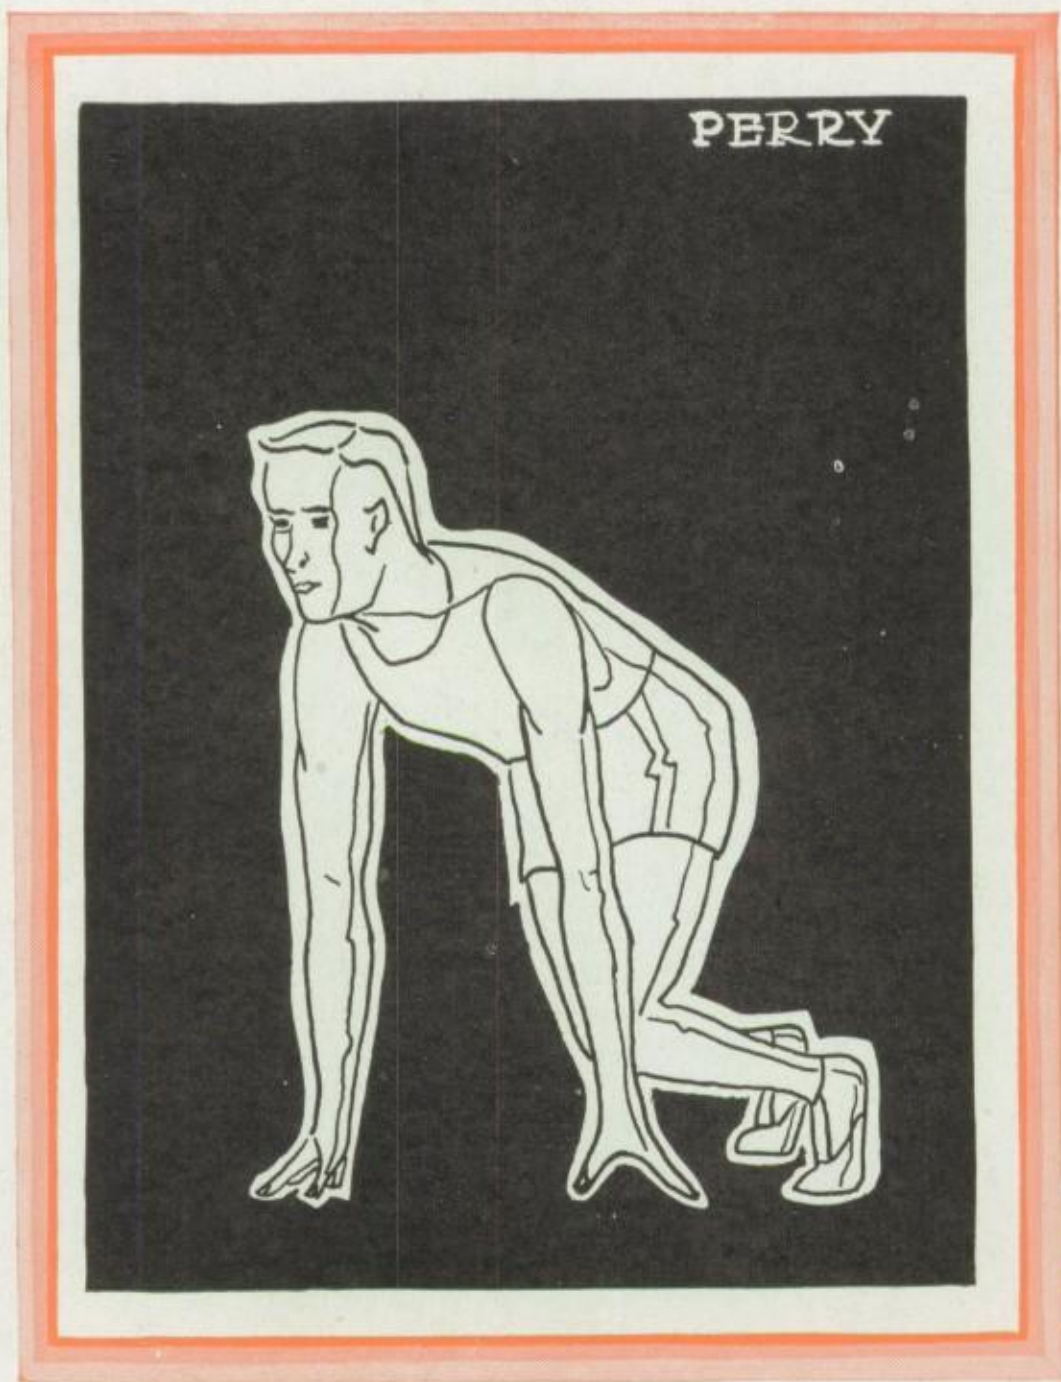

In the consolation game on Saturday evening, the Moline reserves who had spent the tournament thus far on the bench, took the opportunity to show what they could do by defeating Morrison 28-20. The last game between Freeport and Orion was an undecided event until the final whistle. Long accurate shots for the basket and fast floor work, created much excitement. Freeport finally won its chance for the state meet by defeating Orion 27-21 in a strong finish.

WILLIAM BENNETT
Cheerleader

At the beginning of the basketball season Bill Bennett was appointed by the Athletic Board to serve as cheerleader. Bill has been a faithful, efficient man for the job. His enthusiasm and spirit were always quite enough to start and keep the crowds cheering. With him on this end of athletics, the teams are certainly going to have some real support next year.

THE 1928 TRACK SEASON

By taking the 1928 track squad in hand and working it around and moulding it into shape, the coaches succeeded in putting forth a first class team. The season as a whole may be regarded as unusually successful.

The first meet of the season was a dual meet between Moline and Davenport on April 28 at Davenport, in which Moline was beaten 98 to 44. The excellent weather along with other favorable conditions made possible the breaking of five local records and tying two. Davenport's team was undeniably superior, and this was proved clearly by the fact that in sixteen events Davenport took fourteen first places. Moline had two first places, eight seconds, and eight thirds. Palmquist took first in the half-mile run for Moline with a time of 21:10.4. Seibert of Moline took first in the 220 yard hurdles with a time of 29.4 seconds. One outstanding and spectacular event was the pole vault, first place going to Henschen of Davenport with a height of 11 feet, 8 inches. This set a new local record by eleven inches.

The second meet of the season, the Big Nine Meet, came on Saturday, May 4, at Browning Field. Perfect weather and well-conditioned teams made a thrilling contest. Monmouth brought a fast troop of relay trotters who took first in the half-mile relay; time 1:38.6. This team took first in the Drake relays the week before. Gordon of Rock Island was the individual star of the meet with his 16 points. Ringquist of Moline took first in the shot put by tossing the ball 41 feet, 8½ inches. Graflund of Moline sailed the javelin over 139 feet, 11 inches for first place. Although these were the only first places for Moline in the Big Nine meet, we tied with Galesburg for third place with 21 points. Rock Island won second honors with 30 points, and Monmouth ran away with 35 points for first place.

On the next Saturday, May 12, the Sectional Meet was held at Browning Field. With weather unusually favorable, some very stiff competition was offered, and several records were broken or tied. Seven standing records were smashed, and two were equalled. If any track meet can stir up excitement, this one certainly did as the dash men tore over the cinders, and the javelin tossers wielded their spears. New records were established in the following events: 220 yard dash, Wyatt of Sterling, first, time 23.5 seconds; half-mile, Carlson of Seaton, first, time 2:07.4; discus with Klemmer of Geneseo first, distance 118 feet, 4 inches; high jump with Schultz of Geneseo, Swanson of Moline, Hankenson of Rock Falls, Rich of Sterling, and Strombeck of Rock Island tied for first place, height 5 feet 8 inches; shot put with Anderson of Cambridge first, distance 47 feet; broad jump taken by Connor of Kewanee, distance, 20 feet, 5½ inches; javelin throw with Graflund of Moline first, distance 152 feet, 5 inches.

Moline placed in all events but two in this Sectional meet, thereby capturing first place with 45½ points; Rock Island took second with 39¾; Sterling won third with 38; Kewanee accounted for fourth with 19½; and Rock Falls came fifth with 16 points.

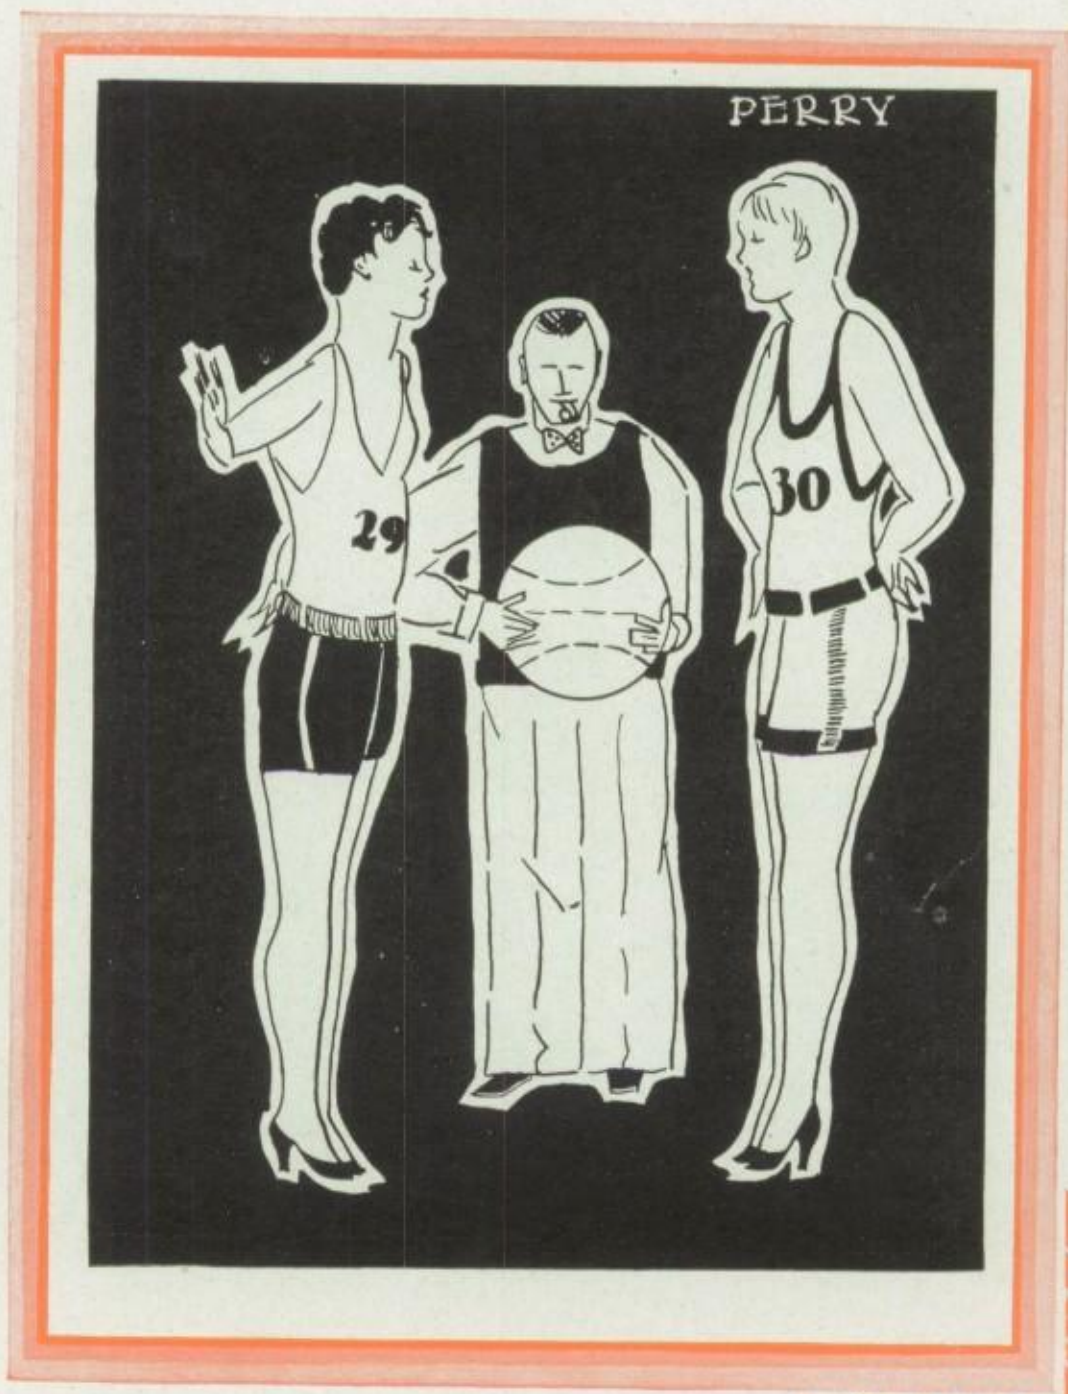

In view of the Maroon team's showing in the Sectional Meet, the entire Moline track team was eligible to compete in the interscholastic meet at Champaign. This meet is held under the supervision of the University of Illinois. Competition in this contest is so stiff that anyone who makes any showing at all is certainly a real track man. The only Moline man to win anything there was Nelson who won first in his heat in the 100 yard dash. This event finally went to Metcalf of Tilden High, Chicago. Metcalf was the outstanding man of the whole contest, as he tied the state interscholastic 100 yard dash record, and broke the national record in the 220 yard dash, time 21.1 seconds. Tilden High won first place with 22 points; Urbana took second with 17¼; Evanston won third with 12 points.

Looking back over all of this, Moline may call it a fine season.

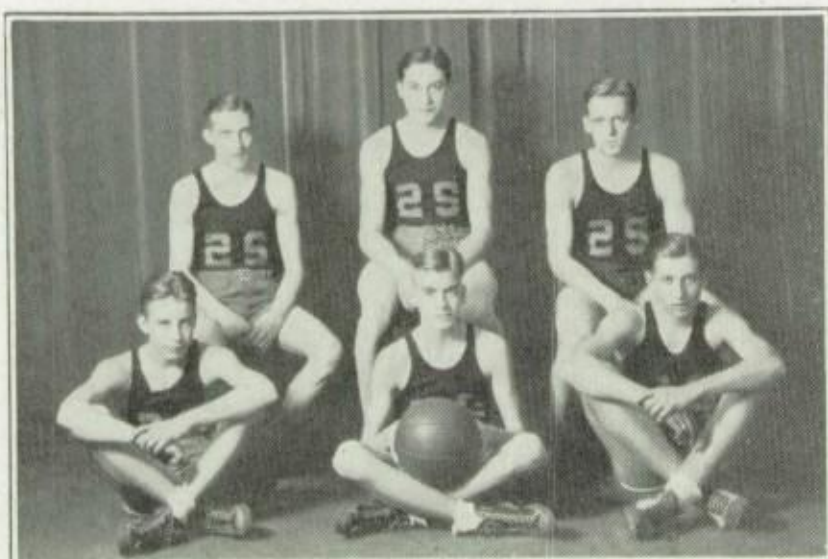

THE FACTORIES OF MOLINE

CLASS ATHLETICS

Top Row—Lamont, Hammer, Rosborough.
Bottom Row—Ericson, Swanson, captain, Parsons.

Senior Heavyweights (Champions)

The seniors under the coaching of Albert Larson certainly built up a fast steady, consistent team. By using their numerous plays which were carefully worked out beforehand, these fellows showed fine team work and good playing. Fast, accurate passes, sure shots at the basket, and careful dribbling constituted the greatest assets of this team.

Seniors (Fourth Place)

Although defeated twice in succession, the 1929 girls should not feel downhearted. The two teams they played were classed among the first. They were a scrappy team, and deserve much credit for the standing they maintained.

Top Row—Mavity, Schnathorst, Peters, Crawford, Daniels.
Bottom Row—Kummer, Green, captain, Bryan.

Senior Lightweights (Champions)

The Senior Lightweight team went through the entire tournament undefeated, thereby earning the interclass championship. This was just repeating what happened in their sophomore year when they completely upset the dope by tearing in and snatching the tourney away from the seniors. This season they played the same fast offensive and impenetrable defensive game which was taught to them by Al Larson, coach.

Top Row—Anderson, Coppens, Corelis, Arvidson.
Bottom Row—McComas, Frankel, Robyt, captain, Phelps.

Junior Heavyweights (Second Place)

The Junior Heavyweight team was a clean, hard fighting squad of players. Putting forth some very fine and capable material, they made it exceedingly difficult for any team to defeat them. Their team work, passing, dribbling, and basket shooting were all worked out carefully and perfectly. The Seniors, however, defeated these boys in a very fierce battle ending 19 to 14.

Top Row—Hallberg, Jackson, Lundholm, Wirken.
Bottom Row—Swanson, Munn, captain, Schacht.

Top Row—Johnson, Vernberg, Coburn, Johnson, coach, Van Wonerghem, Alsterlund, Caddy.
Bottom Row—Cowley, Long, Duncan, Thorngren.

Junior Lightweights (Second Place)

The Junior Lightweight team was certainly a shifty, fast, and elusive team when the tournament came along. Having developed an almost impenetrable defense, they might well have taken the tourney. The Seniors, however, outclassed these boys when it came to baskets, as was shown in the final game, the Seniors winning the stiff struggle 24 to 10.

Top Row—Hellstrom, Palmer, Cowley.
Bottom Row—Bimson, Marsell, captain, Corelis.

Top Row — Esterdahl, Pearson, Heerde, Jezowit, Axene.
Bottom Row—Olafson, Pedersen, Lindquist.

Soph. Heavyweights (Third Place)

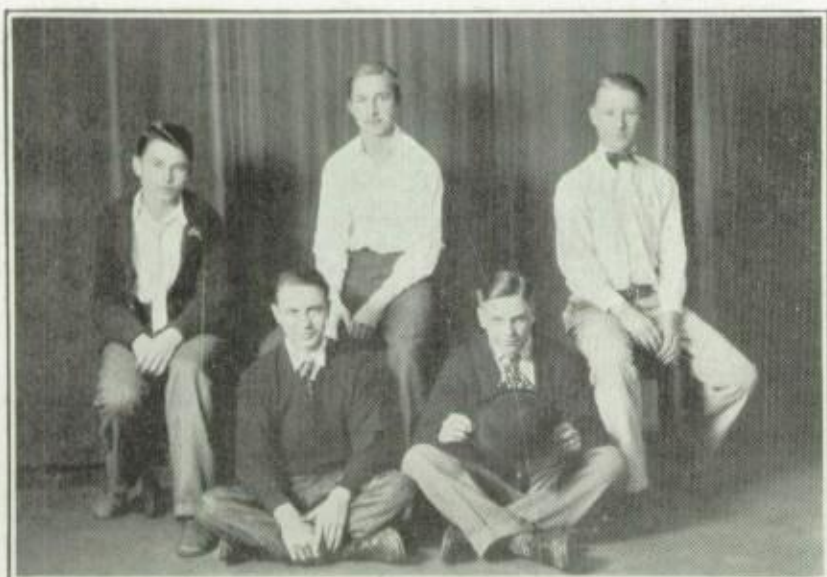

The Sophomore heavyweight cage battlers have good material from which to put forth some masters of basketball. The offense is speedy, and with practice in accurate and sure passing, this team will be formidable. In the first tilt with the upperclassmen the sophs were beaten 9 to 16. The next cage struggle was a victory, but they were finally outclassed by the Juniors.

Sophomores (Second Place)

The Sophomores showed great ability this year in the tournament by fighting their way to the finals taking second honors. In the history of our Girls' Basketball Tournaments, only one other team in its second year has ranked as second place winner.

Top Row—Conelly, Ringquist, Wagner, Johnson, Liebendorfer, Ericson.
Bottom Row—Fawks, Corey, Mueller, Young.

Top Row—Trapkus, Czerwinski, Johnson.
Bottom Row—Lindahl, Leipold.

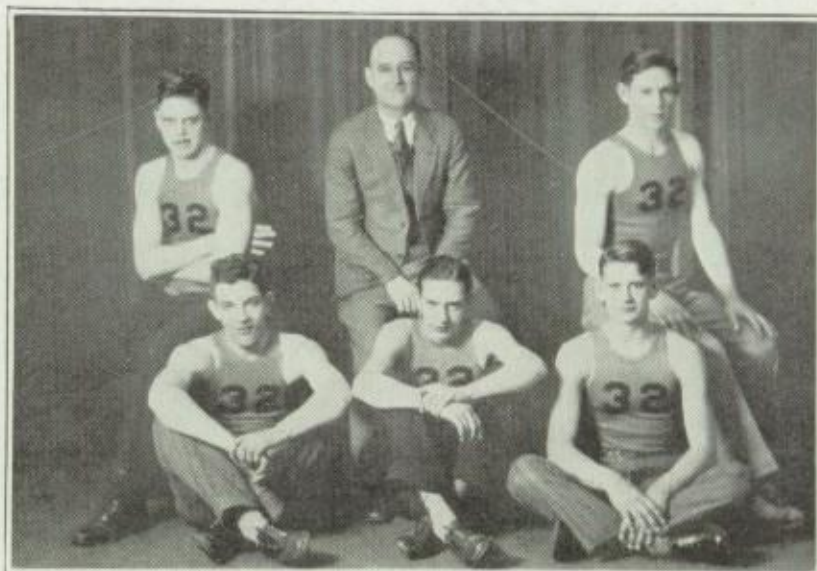

Sophomore Lightweights (Third Place)

The Sophomores had a crack team, showing wonderful skill in handling the ball. Their defense was a perfect man to man style, each player sticking to his opponent like a shadow. The Sophomores showed their strength by beating the freshmen by the top-heavy score of 24 to 7. Thereupon they also beat the junior team, 16 to 12. These boys show great prospects for champions next year.

Freshman Heavyweights (Fourth Place)

The Freshman heavies played fine basketball. Although they lacked speed, a close knit defense held their opponents to a meager nine points. The novices took quite a trouncing from the Sophomores, and thereby their hopes were crushed for the tourney. In the succeeding years they will undoubtedly win at least once because their showing this year was so strong.

Top Row—Larson, Ducray, coach, Wood.
Bottom Row—Harris, Hanson, Schild.

Top Row—Harper, C. Johnson, G. Nelson, Landee, coach, Fors, Black, Carlson, Dunlop.
Bottom Row—Kachevas, Kirk, Erzinger, Lusty, Coultas, Fane, West.

Freshman Lightweights (Fourth Place)

The freshman team wasn't very successful this year. They met with stiff competition in the opening of the tourney, when they met the crack '29 team which punctured their defense in the first round, and ran up a heavy score in the last quarter. With a stronger defense and more experience they will be strong contenders by next season, because they certainly have will power and fighting determination.

Top Row—Hallberg, Hackling, Brady, Mergendollar.
Bottom Row—Anderson, Hemphill, Grimsley.

CLASS BASKETBALL TOURNAMENTS

BOYS' HEAVYWEIGHT TEAMS

The Juniors started off with a bang on Monday, December 3, by defeating the Sophomores, 19 to 16. Both the teams showed good defense, but the "30's" had the edge on them for experience. The Seniors played the freshmen in a low score game which ended in victory for the Seniors by a score of 9 to 3.

On Tuesday, the unlucky beginners again met defeat at the hands of the Sophomores, who played good ball, and certainly had an eye for the basket as the score showed, 27 to 7. The Juniors soon changed this condition for the "31's" when they nosed out the second year team by an 18 to 11 victory. This left the tourney between the Juniors and Seniors. The "30's" then challenged the Seniors in the championship bout, which resulted in the third year boys tasting defeat from the "29's" with a score of 19 to 16. The Seniors were undefeated. The entire tournament was unusually hard fought. The ability of the players, and their sportsmanship and clean playing were a credit to the coaches, the school, and to the team members themselves. The idea that the Freshmen teams are too inexperienced to be strong contenders is a mistaken one; the freshman team almost always stirs some dire forebodings in the hearts of both Juniors and Seniors. All the teams were strong this year, but the Seniors proved to be the strongest.

BOYS' LIGHTWEIGHT TEAMS

At all inter-class basketball tournaments there is a surprisingly intense interest accentuated by a wild enthusiasm. The first game certainly provided the customary and usual setting when the Juniors met the Freshmen, with the third year lads winning by a 14 to 8 score. The score had been running along fairly even when the Juniors worked in for a couple of pot shots and a field goal toward the end of the game, thus taking the battle. Then came an even more hotly contested struggle between the Seniors, who had been champions in their second year, and the Sophomores. This game ended with a victory for the Seniors. On the following day, December 4, the championship match between the Seniors and Juniors was played. Few, if any, inter-class final games have proved so exciting and thrilling. The Seniors held the lead throughout the game, but only by hard work on their part. With the Seniors having their eyes open for both field goals and some fast pot shots, and the Juniors dashing through occasionally for a basket, the game certainly played havoc with weak hearts. Although the score of 24 to 11 in favor of the Senior team was a large margin for the victors, the skill and speed of both teams made the game very spectacular. The Senior team for a second time was champion. The consolation tilt between the Sophomores and Freshmen ended in a victory for the 1931 team with a margin of seventeen points.

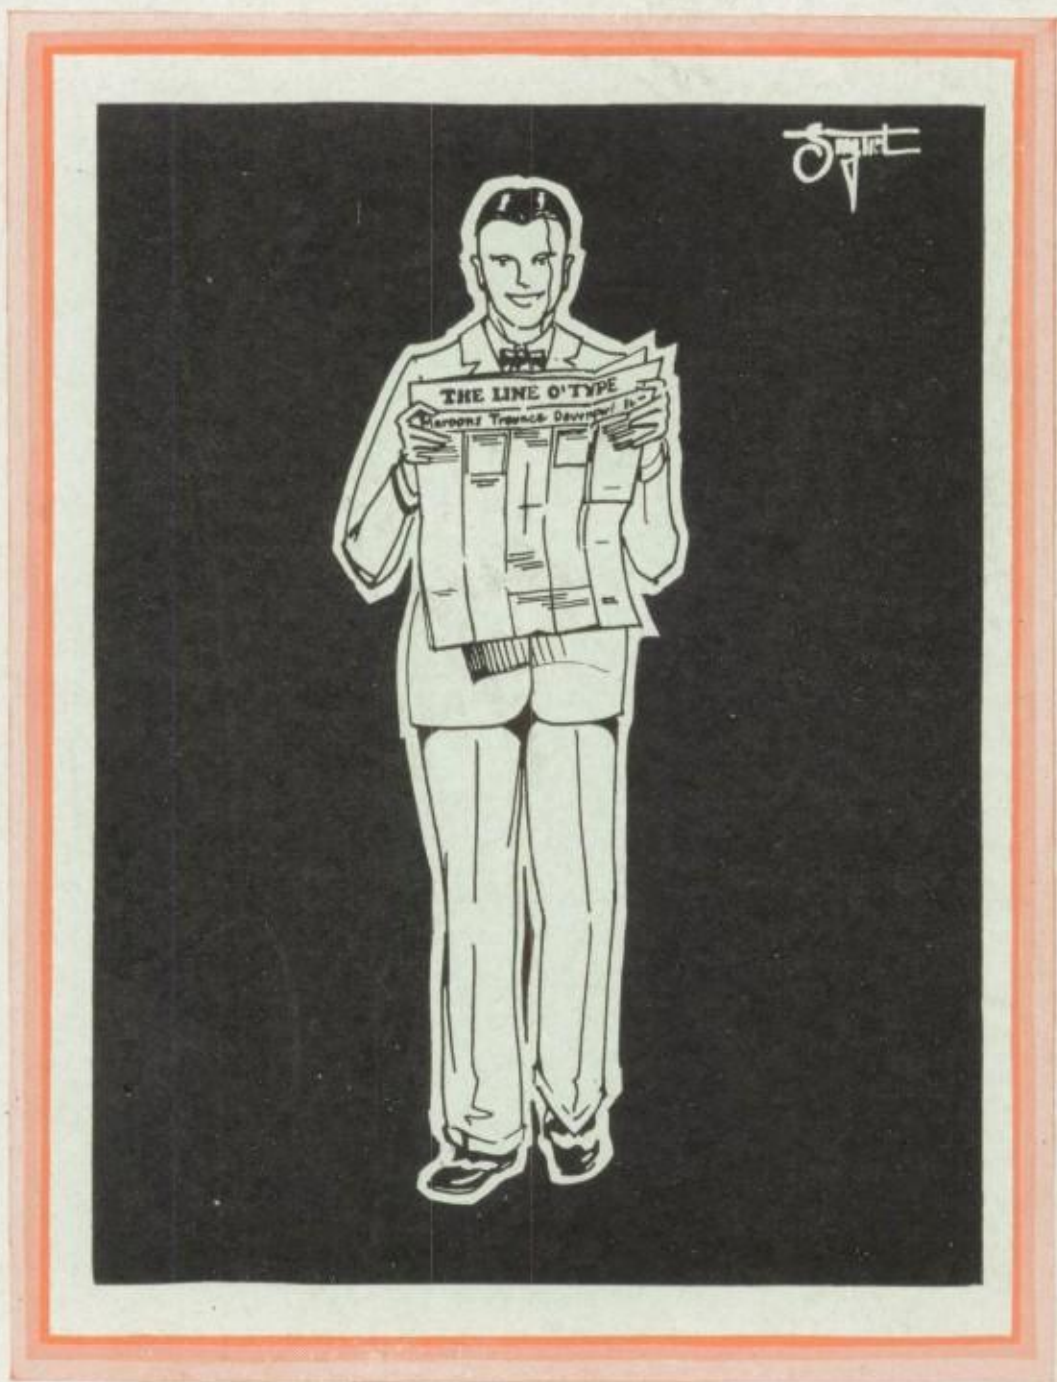

GIRLS' TEAMS

For the second time in the history of the Girls' Tournaments the Juniors won the championship.

The 30's started their way to the goal by defeating the Seniors 10 to 6. In a scrappy game between the 31's and the 32's, the 31's were victorious 19 to 14. The 30's' path was somewhat darkened when they were defeated in their second game by the Sophomores 9 to 5. The Seniors were eliminated by the fighting Freshman team, the score being 8 to 7. In the semmi-finals the freshmen seemed to be hard opponents for the Juniors, the 30's coming to the front to win 8 to 5.

In the last game between the Sophomores and the Juniors, it seemed as if the game could be won on fouls, which was not the case, however. The high score was due to the ability of the '30 team to shoot baskets from all positions. The game finally ended with the Juniors in the lead, 15 to 8.

A HISTORY OF MOLINE'S FIELD HOUSE

Athletics have grown and expanded in importance and keenness of competition until seating capacity for the spectators has become a great problem everywhere. The Moline High school gymnasium was used for the home basketball games until this season, which opened on December 21. At one time the gymnasium was large enough, but as the interest in athletics increased, the facilities for handling the crowds decreased.

During the past three years this crowded situation has been felt sharply. Through the efforts of Mr. T. F. Wharton, secretary of Deere and Company, and Mr. C. W. Holmgren, manager of Moline High's athletics, the field house proposition was brought before the people of the city. The matter was discussed for some time, and finally definite steps were taken toward laying out plans for the preliminary details.

It appeared necessary from the start for a corporate body to transact business connected with such a project. Therefore, the Maroon and White Association was formed and incorporated under the laws of Illinois. Mr. Wharton was made president of the Association, with Dr. Perry Wessel as vice president, and Mr. Holmgren as secretary-treasurer. A bond selling campaign was then carefully planned out on the popular subscription basis. The goal was set at \$150,000 to be raised in one week. In order that this objective might be realized, committees of men were appointed to canvass the business district, and committees of school students to sell bonds in the schools.

The whole selling job was made a competitive proposition with each class in high school competing for a prize, and each grade school working for a prize. A remarkably keen and penetrating interest was worked up, and all that was mentioned for two weeks was "field house." Well within the allotted time, \$150,000 from a total of 1,160 subscription cards were turned in, many individual people signing for well over a thousand dollars. When everything was checked up, it was found that the 1929 class, then the junior class, had sold more bonds than any other, having sold \$5,650 worth. The 1929's had a total of 565 points; the 1930's 470; the 1932's had 430; the 1931's had 320; and the 1928 class had 270 points. These points were awarded according to the number of the denomination of the bond sold, ten points counting for each \$100 bond, and five points for each \$50 bond. In recognition of the work done by the 1929 class, a bronze tablet has been placed in the field house. Also a similar one has been placed there for the work done by the Garfield grade school.

Soon it became necessary to raise \$25,000 more, so with some willing and energetic workers on the task, \$25,000 was secured, bringing the total to \$175,000.

The architect, Mr. W. H. Schulzke, began the plans. The building was built with all beams at least thirty-two feet above the basketball floor. A cinder track of eleven laps to the mile was built, and the seating capacity was made to easily accommodate 5000 people. With all of these features as well as many others, the building has proved very satisfactory.

The opening night, Friday, December 21, 1928, was indeed the realization of a cherished dream of Mr. Wharton's as well as of Mr. Nutting's, who gave much time to the successful completion of the structure. That night Moline played and defeated Kewanee on the basketball floor, and then the University of Iowa defeated Marquette University. Coach C. W. Spears of the University of Minnesota gave the dedicatory address which was followed by the presentation of a large silver cup as a surprise to Mr. Wharton in appreciation of his work, with Mr. F. G. Allen as presentator. Moline athletics took a great stride forward when the field was put into use. If such progress is prophetic, there is no telling what fame will be Moline's.

THE CALENDAR

- September 10, Monday. Back to school after one grand frolic. Oi! now for some study.
- September 11, Tuesday. I noticed a big collection of guns and other things in the west corridor today. Sure enough, the G. A. R. has donated a relic case. It is very interesting.

- October 11, Thursday. Hopped in the car and went asphalt sailing—on to Oak Park. We had a big week-end even if they did beat us in football 27-0.
- October 16, Tuesday. Rev. F. G. Codd, spoke at the Senior Hi-Y meeting tonight.
- October 17, Wednesday. Class day elections today. Looks like class day will be all right.
- October 19, Friday. Mr. Allen and Dr. Nelson pepped some pepper into the pep meeting this morning.
- Guess what—a Literary Hop this afternoon. We all had more fun!
- October 20, Saturday. Even Moline couldn't defeat Davenport. Only one touchdown in their favor, though.
- October 24, Tuesday. Philia Club and Senior Hi-Y had meetings.
- October 26, Thursday. Our reserves squashed Davenport reserves 20-0.
- October 27, Friday. Marie Hankla won Dec. again. She sure is mighty good.
- October 28, Saturday. The 30's gave the first class party of the year tonight. I wish the Senior party would hurry along.
- October 29, Monday. Ever'body git their cars all set for "M" men's day and win the big prize. Mr. Carlson wants us to give the town a thrill.
- October 30, Tuesday. Triangular Dec. tonight. Dot Ericson and Marie won. Rock Island got the fewest points though, so they won as a team.
- October 31, Wednesday. Went all over the tri-cities to find some maroon crepe paper. Seein' as it is Hallowe'en all they had was orange and black.
- November 1, Thursday. I went to A. D. C. tonight—first meeting. Jane Peters makes a keen president.
- November 2, Friday. Marie got third in Big Nine Dec. tonight.
- Spent a lotta time decorating the car for the parade. Wished I hadn't left it for the last minute. The 31's tossed a party. Lucky Sophs.
- November 3, Saturday. We held Peoria Central 0-0 this afternoon. Gert Kalina, Mary Lou, Hazel and Buddie won the first place in the parade. Jane Oakley an' her gang got second. Sure was a "big parade."

November 5, Monday. All we did today was talk politics.
 November 6, Tuesday. Rah! Yea! Hoover!
 November 7, Wednesday. Spent all day collecting bets. F. A. Rugg of the University of Illinois told us all about liquid air.
 November 8, Thursday. Fellowship has its first meeting. All of the boys had a good time—why? Plenty of food and good speeches.
 November 10, Saturday. Oh say! I guess we're pretty good. We beat Washington High of Cedar Rapids, 12-0.
 November 12, Monday. Prizes for the parade awarded in roll call today.
 November 13, Tuesday. Didn't go to school today but I didn't hear of anything exciting happening.
 November 14, Wednesday. Same as yesterday only I went to school.
 November 15, Thursday. The lil' eighth graders put on a big, successful show. The name of it was "The Sells-Health-O-Circus."
 November 16, Friday. The Senior boys are putting on a big Fellowship campaign.
 November 17, Saturday. Moline defeated Galesburg, 19-13.
 November 20, Tuesday. Girl Reserves are tossing a World Fellowship banquet tonight. Everybody invited—that is, of the fairer sex.
 November 21, Wednesday. The Soph Hi-Y had a secret meeting. Just like men to do sumthin' like that.
 November 23, Friday. Our reserves sliced Davenport reserves. That makes us Tri-City reserve champs for this season.
 November 26, Monday. "M" campaign starts today. Book sure ought to be good.
 November 27, Tuesday. Miss Carlson, dean of girls at Augustana, gave a keen talk at A. D. C. tonight.
 November 28, Wednesday. Sandy Batchelor won Local Boys' Dec. tonight. "Shinbones" seemed to be quite a help.
 November 29, Thursday. M-m-m boy! Thanksgiving!
 We downed Rock Island eleven 7-0. All's well that ends well.
 November 30, Friday. Seein' as how this is vacation, I snitched a few hours of sleep.
 December 1, Saturday. The 29's had a "swell" party tonight—naturally.
 December 3, Monday. Class basketball tournament started this afternoon. 29's ahead.
 December 4, Tuesday. Boy's Triangular Dec. tonight. We beat East Moline but not so with Rock Island.
 December 6, Thursday. 1929 Class Basketeers win tourney. Ray!
 December 7, Friday. Straw elected football captain at F. G. Allen's banquet. 30's gave a plenty clever party.
 December 10, Monday. Plans are going strong for the Field House opening.
 December 12, Wednesday. Fellowship club has a peppy meeting tonight.
 December 13, Thursday. Nineteen football letters were given at the banquet for grid warriors tonight. Casey Straw played songleader. Mr. Senneff was master of ceremonies.
 December 14, Friday. Juniors put on "Green Stockings." The play went over plenty big.
 December 15, Saturday. 31 Class put over da beeg party.
 December 19, Wednesday. Faculty members went on a burst tonight. I hear it was a good party.
 December 20, Thursday. Santa Claus came to A. D. C. tonight. Don't tell anybody but I have an idea it was only Hildegrade Kummer.
 December 21, Friday. Moline's red letter day. The opening of the Field House. Iowa beat Marquette (oh yes, we had a University game at our Field House) and Moline ousted Kewanee. Dr. C. W. Spears, coach at Minnesota, was the speaker.
 December 22, Saturday. Wowie! Now for two weeks of play! Gotta be good for Xmas.
 December 26, Wednesday. Moline beat Princeton in the Big Nine Basketball tournament held at our new Field House.
 December 27, Thursday. Canton got tired of seeing Moline win so they went an' beat us.
 December 31, Monday. We beat Davenport quintet tonight. Afterwards—oh well, it was New Year's Eve.
 January 5, 1929, Saturday. Maroons continue to win. We conquered LaSalle-Peru, 26-11.

 June 14, Friday. It's over—Commencement.

SOCIETY

SENIOR PARTIES

The senior parties, though rather small in attendance, were always gay and entertaining. The decorations of brightly colored paper hung thickly, and provided a clever and colorful setting for these social events as well as changing the gymnasium into a virtual ball room. The first party was held in the early winter, December 1, 1928. About seventy people were there, but the fine dance music and the myriads of streamers, made the party a jolly one.

On January 18, 1929, class day for the mid-year graduating class, dancing was held in the gym after a very well organized and well presented class day program had been given in the auditorium. Leslie Swanson's orchestra furnished the music, and judging from the unusually large number of people who attended, the dance was certainly pleasing.

The next party for the seniors came when the girls' After Dinner Club and the boys' Fellowship Club gave a party together which was held on May 4, 1929. The first thing on the program was a very interesting entertainment by Fay Ridenour, a magician. He demonstrated the possibility of the impossible most convincingly and in many ways. His thumbs were securely tied with heavy cord, and yet he was able to have perfect freedom. He brought forth cards from the pockets of quite upright students who swore that there were no cards there. Bits of torn paper became an unbroken strip. Glasses and bottles vanished and reappeared at his bidding. After half an hour of this, a delicious dinner was served in the cafeteria. The decorations in this room consisted of flowers and streamers across the tables, thus providing a real party atmosphere. After dinner the rest of the evening was given over to dancing in the gymnasium, with some very fine music furnished by Miedke's orchestra. The hundred people who attended this party found real enjoyment, especially in the entertainment in the gym for those who did not dance. The sight of one of the girls feeding cornflakes to some blindfolded boys, and the kiddy-car races made everybody laugh. This was undoubtedly the most enjoyable of the senior parties.

JUNIOR PARTIES

The first junior party came on October 27, 1928. The entertainment program consisted of several very clever and interesting short stories told by Mr. Parmalee. After this Fred Day with Steve Darling's able assistance rendered a saxophone solo. To climax the entertainment, Mary Lou Long gave a reading, "Sauce for the Goslings." The party then adjourned to the gymnasium for an evening of dancing.

December 7 marked the date of the second junior party, a Christmas affair. The program featured a snappy sketch entitled "Buffalo Bill," which included a clever exhibition of marksmanship. After the program the juniors enjoyed dancing in the gym to the strains of Delaplain's orchestra. Refreshments were red pop corn balls wrapped in green paper. The gym was decorated with Christmas colors which lent a distinctive spirit to the function. True to the tradition of junior parties, "a good time was had by all."

The last party for the juniors came on May 25 when they gave a wonderful Junior-Senior Prom. The two classes were certainly well entertained at this event as a last farewell get-together for the seniors. Working and planning for several months for this party, the energetic juniors revealed their class spirit in this unusually successful prom. The gymnasium was beautifully decorated with flowers trailing down over a quaint old fashioned garden wall around three sides of the dance floor. The diffused light, the gayly colored false ceiling, the arching entrance ways, and the summer setting all together produced a very lovely ball room. Unique amid the splendor of the decorations was an old fashioned well containing the punch, which gave relief to the thirst of the ardent dancers. In addition to the wonders of the transformed gym, the cafeteria was a maze of springtime glory with the tables strewn with bright, pretty flowers, and streamers hanging gracefully across the ceiling.

The refreshments, cake and ice cream very daintily set in a little nest of cotton candy, and a peppy orchestra, which added a touch of splash and dash to the atmosphere, made the time in the cafeteria most enjoyable. After this the rest of the time until 12 o'clock was spent in dancing to the strains of Johnny Day's orchestra.

The Juniors left this party with a full realization of its success, and the Seniors left knowing that there will never be a prom equal to it.

The various committee chairmen, all headed by Louis Plambeck, were: Decorations, Mary Lou Long; Refreshments, Mary Ellen Love; Entertainment, Lyle Olson; Program, Miller Brown.

SOCIETY

SOPHOMORE PARTIES

The Sophomores opened their social season on November 2, 1928, when they held their first class party of the year. After a short program in the auditorium, they all went to the gymnasium and danced to the strains furnished by the "Gloom Chasers," an orchestra composed of five High School boys.

At eleven o'clock the refreshments, Eskimo Pies, were served. The Sophomore parties are always jolly affairs, and this one certainly held to the established rule.

The second party for the 1931 class came on Saturday, December 15. A very lively entertainment consisting of a Gypsy Doll show given by several of the girls, and a Gypsy dance by Babe Johnson opened the evening's activities. The dance music in the gym was furnished again by the harmonious "Gloom Chasers." This party set an attendance record for the 31's.

The Sophomores staged their third frolic on February 2, 1929. This party, like the others, consisted of an entertainment followed by dancing to the melodies of the "Gloom Chasers," and all this was topped off by the customary Eskimo Pies. The party was indeed a snappy one.

FRESHMAN PARTIES

The freshman parties were exceedingly well attended, and financial success was reported by the officers. The first party, on November 16, was a Hallowe'en affair, all the decorations and refreshments being in keeping with the day. The second party which came on December 8 was a gay Christmas event. The feature of this one came when Santa Claus himself entered the gym with a present for each person there. The second semester parties were quite as successful and entertaining as the preceding ones. On March 22, the third freshman party was given, and on May 17 they gave their last one of the year. At all of these social functions there was no difficulty in arranging for everyone to have a good time.

FACULTY CHRISTMAS PARTY

The annual faculty Christmas party was held on Wednesday, December 19, 1928. The teachers of the High School, Manual Arts and Central Grammar were invited. With Mr. Ekblad and Miss McElhiney in charge of the affair, several of the teachers gave much of their time over to planning entertainment, refreshments, and dancing.

First was a wonderful turkey dinner served in the cafeteria. Then as the party progressed, a skit entitled "A Morning in the Office," which speaks for itself was presented. This clever idea was worked up under Mr. Kasel's direction. The cast was as follows:

Mr. Kasel.....	A Student
Mr. Jones	A Salesman
Mr. McCormick	Mr. Nutting
Miss Warner	A Teacher
Miss Spencer.....	A Student
Miss Bradford	A Saleslady
Mrs. Ford.....	Disgruntled Mother
Mrs. Cook.....	Office Clerk
Miss Hopkins	Stenographer
Miss Kent.....	Dean of Women
Miss McElroy.....	A Student

The faculty parties are always very enjoyable and lively, and this one, according to sworn testimony of faculty members, was certainly true to form.

Into the Land of the Buffalo

ON AN April morning in 1856, the first bridge to span the Mississippi river was getting its baptism of traffic.

From the Illinois side of the river came a squat locomotive pulling a half-dozen small box cars. With valiant blasts from its whistle, the iron horse snorted its way across to the little town of Davenport, Iowa, and coon-skin caps and beaver hats flew into the air, as the crowd cheered the passage.

The pioneer bridge had stood the test. The Mississippi and Missouri railroad, extending into the West, was linked with lines leading into the East. One of the greatest epochs in the commercial life of the nation was begun.

And the West was ready for its new commercial development. For an earlier pioneer—the John Deere steel plow—had led the way for that first train across the mighty river.

As the leading outpost of agriculture, the

John Deere Plow factory, at Moline, Illinois, had been busy for years.

Every year, by the thousands, up and down the Mississippi by boat, and then by wagon far into the land of the Indian and the buffalo, John Deere plows had traveled.

They were conspicuous among the goods at the first store in every pioneer settlement; the first to turn the virgin soil, as the frontiers of farming pressed westward; the chief equipment of those hardy pioneers who carved farms and states from the wild prairie lands, creating the wealth that brought the wheels of commerce rolling from the East.

* * *

Today, over many bridges, hundreds of trains daily cross the Mississippi and pass westward through vast regions of rich farms, where John Deere implements and machines have been in wealth-producing use every year for three generations.

Education—

Education increases one's power for constructive service to society, enlarges his ability to do good.

Education encourages better citizenship, strengthens the nation, guarantees its growth.

Education permits a richer enjoyment of life, provides a better appreciation of the factors and forces which shape life.

Education enlarges the earning power, increases the comforts and pleasures of life, gives greater guarantee of success.

Education is free in America.

Every boy and girl in Moline can graduate from High School—if he Will.

A High School Diploma is an insurance policy for future years.

ELECTRICITY!—CHILD OF SCIENCE

In electricity, with its ability to perform many tasks and thus add to the happiness of humanity, science has found a brilliant vindication for weary years spent in searching for truth.

This spirit of research has been the natural inheritance of the electric light and power industry, always ready to apply inventions which make for greater efficiency. Upon this spirit rests an electrical development in America which knows no equal in the world. This spirit has inspired the policies which have sought success through an increasing use of electrical service at low cost rather than an exploitation of a limited supply.

The results of these policies have been a steady decline in the cost of electric service and a growth of confidence on the part of several million investors.

The spirit of science, of progress and efficiency depend upon the freedom of individual initiative. Only as individual initiative is unhampered can the future of the electric light and power industry be assured. And upon the future of this industry depends the future of all other industries.

THE MECHANICAL GUARDIAN OF HEALTH

Nature has well provided the fresh stimulating air that nourishes mind and body.

It has remained for science, however, to bring this outdoor air indoors; clean it; warm it to a comfortable temperature; and distribute it uniformly throughout a school class room.

This is the duty of the Univent—man's mastery over nature. Regardless of wind, cold or storm, the Univent provides a refreshing, health

building, June-like atmosphere that is safe-guarding the health and even the lives of school children everywhere.

Because of its simplicity—freedom of drafts or distracting noises, and the positive ventilating results attained, the Univent has become the accepted standard of good ventilation in America's finest schools.

Our beautifully illustrated and interesting book "Univent Ventilation," will be gladly furnished school and business executives upon request.
